LATE DERA NATUNG
(FORMER EDUCATION MINISTER)

01.07.1964 – 08.05.2001

Come! Let Us be So. Let Us Work Together and Reach Our Destination!

Swami Vivekananda

**DERA NATUNG GOVT. COLLEGE, ITANAGAR, ARUNACHAL PRADESH
INDIA****Established: 1979****THE EMBLEM**

Arunachal Pradesh is one of the young and beautiful eastern states of the Indian Union. The name of the state, rightly and literally means the Land of the Rising Sun. The Sun plays a prominent role in the life of the people all over the world. The central truth is that there is an intimate connection between the mind of man and the moving spirit of the universe. The rhythmically running rivers, the vast mountain ranges and the fields full of crops-all these sustain not only the bold-stream of our life but also conserve the culture of the nation. They illustrate that the more Indian culture changes the more it remains the same; and if our young men are to live more abundantly, they should enter more fully into the experience and ideals of the race, they should be inspired in their minds and hearts by the ideas enshrined in our culture.

THE MOTTO: VIDYA DADATI VINAYAM

VIDYA means 'education and knowledge, Science and skill', DADATI meanings 'gives or imparts', and VINAYAM 'politeness and humility'. Vidya is both knowledge and power. It has inherent values as well as utility for life; it is illuminating and enlightening. It demands disciplined devotion to the pursuit of Truth. It develops in its votaries an attitude of tolerance, open-mindedness, freedom from prejudice, and hospitality to new ideas. In order to develop universality of outlook, to adopt racial tolerance and rear international understanding peace- what we need is Vidya; and in the absence of humility, reverence for ideas, grace and charity at heart, it cannot enable us to fight against illiteracy, unemployment, mutual distrust and love of domination. We have in our country great, natural resources, intelligent men and women, and if in addition, we learn to work together with pleasure, pride and sense of duty in the sacred task of acquiring VIDYA, no one can prevent us from reaching our goal, the beautiful NATURE depicted the EMBLEM also teaches us about all the eternal values of life which are attainable only by value of courtesy and humbleness.

PRINCIPAL'S MESSAGE

In this unprecedented pandemic situation due to COVID-19, I extend my best wishes to all to fight back and defeat the corona virus at the hasting. We are passing through a difficult situation in which every aspects of life is being affected due to this dreaded disease. We have big challenges to cope up with this situation in terms of providing proper yet meaningful education to the children. Undoubtedly, we would be relying on online mode of teaching learning process as normal classroom engagement is not advisable at least in the present moment. Under the backdrop of this grave situation, we are entering into the new academic session 2020-2021 with lots of challenges ahead. Nevertheless, we must proceed with all optimism, positivism and instinct of achieving the goal i.e. quality education which has become a hall mark of any thriving society.

2. With these objectives, over the past forty one years of its existence Dera Natung Government College, Itanagar has been playing a pivotal role in the field of higher education in Arunachal Pradesh. The college end eavor to create a space for itself to symbolize excellence in academic spheres and social commitment to the society. It provides a milieu of mini India with inclusiveness, dynamic, vibrant and conducive academic environment. DNGC is equipped with robust infrastructure with IT enabled class rooms, computer centre, enriched and automated library, sports ground, auditorium, etc. Besides, infrastructure, the college is valued for its vigor particularly the delivery of contents which is student's centric and a variety of support services.

3. We promote continuous engagement between teachers and taught for sustainable delivery of quality product. There is also serious attempt to connect the sharp and vibrant minds of students with the social milieu in the society to devise way out for better livelihoods for the marginalized people through various extension activities undertaken by NSS volunteers and NCC cadets.

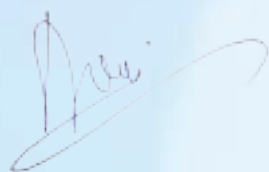

4. The DNGC fraternity has successfully conducted themselves over the years for achieving excellence in the field of higher education. The faculty members continue to discharge their noble duties with dedication, commitment, passion and courage as

such many faculty members have been awarded as best teacher. The office staffs associated with services such as hostels, library, accounts, academics, examinations, administration, sports, etc. are equally valuable contributing members of DNGC fraternity.

5. We have been putting all efforts to create congenial academic environment in the campus. We are ensuring regular classes in which apart from normal teachings, teachers are mentoring and interacting with the students in variety ways. The ICT enabled classrooms are provided for effective teaching-learning process which is immensely helpful to both students and teachers. The examinations are being conducted as per the norms with utmost fairness. The performances of students in terms of examination results are exceedingly well over the years. We have many University toppers especially in Science Departments.

6. In the years ahead, DNGC will continue to uphold the rich legacy not only to live up to the reputation of being one of the best colleges in the state but also to become one of the best higher educational institutions in the country. For this we believe that all stakeholders are equally significant but the most important stakeholders are its students who excel through various processes with the able guidance of the faculty members.

7. I convey my best wishes to all those who are aspiring to get admitted to this prestigious institution for the academic session 2020-2021 with an expectations that they would be the worthy members of the college community.

Dr N.T. Rikam

15th August 2020

Vision and Mission of the college

DeraNatungGovernment College, Itanagar, a premier institute of higher education has its own vision and mission as given below:

Vision

1. To Learn and achieve today; Lead and serve tomorrow.
2. To encourage students to work for the good of others in the society.
3. To impart holistic and quality education within the reach of all.
4. To contribute to India and the World through inculcating excellence in the realm of education and research; and to serve as a fruitful resource for industry and society; and remain a source of pride for all Indians.

Mission

1. To nurture human potential to such an extent so that intellectually capable and creatively visionary leaders can emerge in various professions.
2. To develop individuals who are morally upright, intellectually well-informed, socially concerned, emotionally balanced, physically well-developed and culturally accomplished.
3. To develop a scientific temper by countering superstitions, and pernicious customs like child marriage, caste system, female foeticide, dowry, gender bias, regionalism etc.
4. To guide individuals towards social welfare and to nurture creative and resourceful minds, who think big, think fast and think ahead, who care for the nation and the weaker sections of society, and imbibe humanistic and patriotic passions and values.
5. To recognize and nurture the unique qualities of all students and staff and to strive for the creation and maintenance of an environment that is caring, safe and rewarding.
6. To serve the needy and the Nation with humility, respect and honour.
7. To mould intellectually competent, morally upright, socially committed and spiritually inspired persons capable of building a more human social order within the context of the nation's plurality of religions and diversity of cultures.

PROFILE OF THE COLLEGE

Established on 6th day of September 1979, Dera Natung Government College with its erstwhile name 'Government College, Itanagar' aimed at imparting higher education to young and inquisitive men and women of the state at a point of time when the opportunity was scarce in the state. The founders had an ambitious endeavour not merely to make it a centre of offering Degrees but also to let the youths explore new areas of knowledge, providing a platform for budding leadership in all walks of life. Preparing the youths for future challenges in personal and social spheres and grooming them as competent human resources who in turn could promote the high social ideals such as equality, social justice, communal harmony and cultural plurality and other vital objectives of this college. During its 40 years of glorious existence, the college community consisting of students, faculty members, non-teaching staff and of course the college authorities have been working towards these ideals and goals and presently it remains one of the premier institutes of Higher Education in the State with a legacy of excellence in teaching and learning process. The college was re-christened as **DERA NATUNG GOVERNMENT COLLEGE** in the session 2001-02 to commemorate the voluminous contributions of the visionary and illustrious leader, late Dera Natung, who served as one of the finest and most dynamic Education Ministers thriving for all round development of education in the State.

The college initially started in Govt. Higher secondary School building Itanagar, and fulfilled the educational pursuits of a handful of students with four department's viz. English, Hindi, Economics and History in the evening shift. In 1986, it was relocated to its present sprawling campus with a huge Administrative and Academic Block and continued both in the night and the day shifts till 1990 when the Night shift was finally done away with. Since then the college has made a splendid progress in terms of infrastructure, student strength, faculty position, encouraging student performance and academic research. The college has been assessed and accredited by NAAC, Bangalore thrice, with C Grade in 2019.

The College has presently 2448 students' enrolment in three streams of Arts, Science and Commerce comprising of 14 departments. There are 76 faculty members and 53 non-teaching staff presently working in the college. The college has a well-stocked library with 33858 titles with a reading hall for students and designated chambers for the teachers. A big play ground with an open stadium developed under UGC fund provides ample facilities to students to nurture their skills in games and sports, athletic activities and other events for development of recreational and healthy environment in the campus. An Auditorium in the heart of the college facilitates the cultural, literary and indoor sports' skills of the students besides for conducting awareness programme, counselling, workshop, seminar, etc. The college has a Computer Centre and IT Cell to train the students in basics of computer education.

UGC funded Coaching for Entry in Services Cell of the college imparts coaching to APST students to train and equip them for entry into various services. The coaching is held for various competitive examinations with special focus on civil services and banking recruitment examinations. UGC funded Counselling Cell generates awareness among the students regarding potential career opportunities. A Remedial Coaching Cell takes care of the economically and educationally backward students in improving their standard. The college has well equipped NCC wings and NSS units which groom and guide students to imbibe spirit of discipline, unity, patriotism and social responsibilities. The cadets and volunteers serve the nation in various spheres with confidence.

COURSES OFFERED

The college is affiliated to Rajiv Gandhi University, Doimukh and presently offers three year programmes of study leading to Bachelor Degree in Arts, Commerce and Science running under semester system. The course consists of six semesters of approximately six month duration each with major papers in V and VI Semesters. Higher education envisages envious equilibrium of aptitude, interest, perseverance and perspicacity in order to pursue the courses of students persuasively and pervasively so that it provides life with zeal and enthusiasm to prepare and enter the practical perennials of life at large. Bearing this pedagogical pedestal in mind it is indispensable that the subjects must be chosen for higher education with great care, concern, perspective and penchant and the elders/parent should elucidate and enlighten the consideration with a view to guiding and counselling the students at the time when they seek admission. There is plenty of argument for and

against each and every subject but here we should like to pack at the peaks and pebbles of the pendent prospects on the subjects that we offer for the purpose of academic deliberations through classroom teaching.

ARTS STREAM

The faculty of Arts consists of eight departments i.e. English, Hindi, History, Political Science, Education, Economics, Geography and Anthropology.. Students who desire to pursue B.A. (Bachelor of Arts) can choose their subjects as per the details given below:

COURSE STRUCTURE Bachelor of Arts (Semester System)

Class	Subjects/Papers	Marks		
		Course Structure	Sessional Test (I A)	End - Semester Exam (Dec/May)
Semester -I (July- Dec)	BENG-101(C)			
	And any three Electives to be Opted from the following subjects :			
	i. English Elective or Education	BENG-101(C)	20	80
	ii. Elective English or Hindi or Anthropology	Elective-I	20	80
	iii. History or Geography	Elective-II	20	80
	iv. Political Science	Elective-III	20	80
	V. Economics			
(Note: Combination once chosen cannot be changed under any circumstances.)				
Semester-II (Jan- May)	BENG-201(C)	BENG-201(C)	20	80
		Elective-I	20	80
	And three elective subjects of semester – I to be continued	Elective-II	20	80
		Elective-III	20	80
Semester-III (July- Dec)	Environmental Studies and Three elective subjects of Semester-II	Env. Studies	20	80
		Elective-I	20	80
		Elective-II	20	80
		Elective-III	20	80
Semester-IV (Jan- May)	Skill Based Course and Three elective subjects of Semester-III	Skill Based-I	20	80
		Elective-I	20	80
		Elective-II	20	80
		Elective-III	20	80

Semester-V (July- Dec)	Four papers of major subject (Major subject should be chosen out of three elective subjects offered in preceding semester).	Major P-I	20	80
		Major P-II	20	80
		Major P-III	20	80
		Major P-IV	20	80
Semester-VI (Jan- May)	Four papers of major subject of preceding semester.	Major P-I	20	80
		Major P-II	20	80
		Major P-III	20	80
		Major P-IV	20	80

Faculty of Arts

ANTHROPOLOGY: Understanding the origin and history of human beings is important to understand global cultures and communities. Anthropology looks at shared aspects of humanity like language, cultural connections, economics and curiosity to find the common thread.

Faculty Members:

1. Dr. Ratna Tayeng, MA, PhD
2. Ms. Gopi Riba, M.Sc.
3. Mr. Tame Ramya, MA.

Course structure - Department of Anthropology

Class	Paper code	Paper title	Full marks = 100 (80+20)	
			Internal Assessment	End semester
Semester-I	BANT-101	Foundations of Anthropology	20	80
Semester-II	BANT-202	Socio-Cultural Anthropology	20	80
Semester-III	BANT-303	Human Skeletal Anatomy and Primatology	20	80
Semester-IV	BANT-404(SBC)	Archaeological Anthropology	20	80
Semester-V	BANT-505	Family ,Marriage and Kinship	20	80
	BANT-506	Anthropology of Communication	20	80
	BANT-507	Fieldwork Methods	20	80
	BANT-508	Human Evolution and Human Growth	20	80
Semester-VI	BANT-609	Indian Prehistory	20	80
	BANT-610	Human Genetics and Human Variation	20	80
	BANT-611	Indian Anthropology	20	80
	BANT-612	Fieldworks and Report Writing and Practical	20	80

ENGLISH: In addition to English compulsory the syllabus provides for the teaching and learning of Elective English without offering which, one cannot offer Major in English in the B.A. V semester. Moreover, English being a library and link language requires a meticulous mind to grasp and bridge the cultures of the world to secure felicity of expression and come in intelligent contact with the master minds of the world, to prepare well for life and the competitive examinations, to secure

higher positions in every field. Since the demand for the persons with English as a subject of examination persists permanently the indefatigable study of English always pays in cash and kind and ultimately fulfils their ambitions.

Block-II	BENG-612(M)A	American Literature	20	80
	BENG-612(M)B	Linguistics	20	80

HISTORY: History is rightly called the root of all subjects because every item of knowledge begins with its history and without history we can neither prepare nor plan for future. Moreover in recent year, History has acquired greater importance in the light of archaeology, archives, and numismatics, iconography, historiography, tourism and culture affairs. National history remains one of the very interesting and important subjects at the college and university level as well as at the levels of

competitive examinations. History also rewards with its rich, variegated and inexhaustible treasure of the gems of human knowledge and experience.

ECONOMICS: Economics as a subject has a vast opportunity in the sense that its study makes one eligible to join in many important services like Indian Economic Service, Banking and Railway services, Agricultural, Statistical, Industrial and Planning sectors. A little knowledge of Mathematics makes Economics most interesting and high scoring for its students. One gets awareness of the economic activities of the Homo sapiens by the means of the study of Economics. Economics has made day to day life easier by providing facts and figure in an easy manner. However, Economics is safely taken as science to have greater perspective in everyday and in every body's life.

POLITICAL SCIENCE: Political Science is one of the very important and popular subjects at all levels. Students become conscious of their rights and duties as citizens, acquire familiarity with the philosophical and practical foundations of the human institutions right from family to the UNO and become well conversant with the constitutions and the functioning of the governments of the worlds by virtue of their study of political science in right perspectives. As a subject, it has helped a lot in political socialization of human being in day to day life and it has become a means to acquire higher knowledge and better marks in the undergraduate, postgraduate and the competitive examinations of all kinds. However, political science has brought revolution and contributed a lot in modifying socio-political behaviour of man.

EDUCATION: As a field of study, education is a contemplative search for theory and science of educating the human world. Hence, it studies various factors, methods and elements involved in the process of enlightenment. A major purpose of education as a subject is to help, to understand and to improve the human qualities. Its immediate purpose relates to the intellectual, moral, social, emotional and physical developments of human being. It studies various principles and ideas that lie in educational psychology, educational philosophy, educational sociology, educational supervision, administration and planning,, educational management, educational statistics, educational research, educational technology and programmed learning, educational measurement and evaluation, curriculum development etc. to improve personal, academic, and professional competencies. The most important aspect is to develop the man in a socially desirable way and to improve and maintain a democratic way of life with competing goals and values of life. It injects analytical thinking and understanding so that a sound system is operated for a thoughtful and effective all round development. Education as a subject helps to make an excellent journey of life from the world of knowledge to the great world of wisdom. However, as a subject of study, education has become very popular among the students at under graduate and post-graduate level.

HINDI: The study of Hindi has proved more beneficial in the sense that it has plenty of employment opportunities and a number of schemes are run by the government of India to foster and develop this language so that people may acquire the awareness of the national culture, customs and traditions and thereby strengthen national unity, integrity and solidarity. The study of more than one language is in itself a reward and constant source of intellectual pleasure as well as a veritable means for putting together for achieving the goals of national life. Moreover, Hindi is our national language. It has been considered as important subject in our state and hence its study in the college and university has been acquiring greater significance.

GEOGRAPHY: The study of Geography opens a new vista in human life by releasing attractive career prospects. With study of Geography, students will come to know about land, sea, atmosphere, environment, and the mines, minerals, hills, rivers, mountains, source of different productions, nature of people and universe. It is a very useful subject which helps to know and develop global perspective. More importantly, it involves practical and therefore it helps in scoring high marks in all the examinations including all kinds of competitive examinations.

	GEOGCT-362-O	Political Geography	20	80
	GEOGCT-363-O	Tourism Geography	20	80
Students have to select any one from the three optional papers in order to complete the course				

COMMERCE STREAM

On account of its practical importance in daily life, it plays a vital role in selection of career and the preparation for life. Owing to this fact that Commerce has acquired greater significance in the socio-economic life of man. Moreover, in order to cater the growing demands and changing needs of the society, commerce bids fair to become a very popular stream of academic pursuits. One becomes equipped with the knowledge of book keeping, accountancy, economics, business organization, banking and international trade, statistics, company law, and secretarial practices, income tax and auditing, advanced management, industrial relations, public finance, management of small scale industries and rural banking etc by dint of the study of commerce and there by acquires fitness for leading an independent life full of happiness and responsibility.

SCIENCE STREAM

This is an age of science. Indeed, man has entered into a new and thrilling phase of scientific development. Man's spectacular conquest of time, space, distance, speed, disease, labour as well as the nuclear energy has changed the complexion of the world. The inventions in science have changed surroundings by giving new shapes and beautiful colour. The recent advances of science have beaten magic and old witchcraft hollow. Reaching the Moon and Mars is no longer thought to be impossible. Science has made impossible possible. Hence, the importance of science in modern age can hardly be exaggerated. However, science subjects being practical oriented provides ample scope for theoretical as well as practical knowledge of the course. Study of science develops confidence to harness nature in a perfect manner.

Note: A student has to choose a subject combination from PCM/ CBZ group.

Faculty of Science

BOTANY: Botany concerns the knowledge of plants. Every person in the world uses it every day. Our knowledge of botany tells us which plants are nourishing as food; which are poisonous to us; which are safe for us but toxic to pets; which are deadly in their natural form, but as extracts medicinally it is life-saving. Botany teaches us which tree species are suitable for the masts of sailboats for their elasticity so that we don't choose trees which would twist and splinter in high winds. Botany reveals to us which fruits grow best in which climates, thus, which fruit trees will grow well in our back yards. If a person is lost in the woods, botanical knowledge would tell him what wild plants he could eat; or use on burns; or chew to reduce pain and fever; or even wrap around an infected wound.

CHEMISTRY: Understanding basic chemistry is essential for understanding the effects of chemicals on the environment. This information can be used to give plants the best nutrients to help them grow or to decide how to dispose of chemicals without poisoning the air or water supply. Chemistry can be used to make colors change, alter recipes, color flames, make things glow in the dark, or even make stuff explode. Many people study chemistry not because it is a requirement for a class but because they are interested in using it to explore the world.

MATHEMATICS : Mathematics is a methodical application of matter. It is so said because the subject makes a man methodical or systematic. Mathematics makes our life orderly and prevents chaos. Certain qualities that are nurtured by mathematics are power of reasoning, creativity, abstract or spatial thinking, critical thinking, problem-solving ability and even effective communication skills. Mathematics is the cradle of all creations, without which the world cannot move an inch. Be it a cook or a farmer, a carpenter or a mechanic, a shopkeeper or a doctor, an engineer or a scientist, a musician or a magician, everyone needs mathematics in their day-to-day life.

ZOOLOGY: Study of Zoology helps to understand and preserve the vast diversity of species on our planet. Losing them would be a huge shame and almost a crime of humanity. Not only do we have to protect endangered species, we also have to protect species essential to the continuation of Earth's life. Without animals, humans would die out pretty quickly. And lastly, we must study zoology to learn about our own ancestry and how we came to be. From animals, we can also learn about our anatomy and better understand the function of our bodies, which can help us combat diseases. Moreover, zoology is an important field of science that applies to many real-world situations.

Intake capacity for I Semester(approved by the Government):

Sl. No.	Stream (Course)	Total intake	Catchment & Open norms
I	Bachelor of Arts (First Semester)	1200	800 for catchment with 40% and above. 400 for open with 55% and above.
II	Bachelor of Commerce (First Semester)	200	160 for catchment with 40% and above. 40 for open with 45% and above.
III	Bachelor of Science (First Semester)	200 - PCM-100 CBZ-100	80 for catchment with 40% and above. 20 for open with 60% and above.

B.A Semester-I

- i. Out of **1200** seats, **800** seats are reserved for the students of **Catchment Area** strictly on merit basis which include 20 seats each for students from Kurung Kumey, Lower Subansiri, Kamle, Pakke Kessang and Kra Daadi, with Education / Geography as one of the subjects.
Definition of Catchment for Arts: Students permanently residing in capital complex/ passing out from a school located in the capital complex/ students whose parents are employed in the capital complex belong to catchment area.
- ii. Rest 400 seats are reserved for students from Non-Catchment Area (different parts of the state) strictly on the merit basis. **Students with minimum 55% marks in aggregate are eligible to apply under this category.**

B.Com. Semester-I

- i. Out of total 200 seats, 80% seats are reserved for students from catchment area purely on merit basis. 20% seats are reserved for students from Non-Catchment Area having minimum 45% marks in class-XII.
- ii. Students must have passed class - XII with commerce or economics/ mathematics/ statistics as one of the subjects.
Definition of Catchment for Commerce applicants: Students permanently residing in capital complex/ passing out from a school of capital complex/ whose parents are employed in the capital complex, Students of Lower Subansiri, Kurung Kumey, Papum Pare, Kra Daadi, Kamle and Pakke Kessang.

B.Sc. Semester-I

- i. Out of total 200 seats (PCM-100 & CBZ-100), 80% seats are reserved for students from Catchment Area strictly on merit basis. 20 % seats are reserved for students from Non-Catchment Area with minimum 60% marks in class-XII.
Definition of Catchment Area for Science applicants: Students permanently residing in capital complex/ passing out from a school located in capital complex/ students, whose parents are employed in the capital complex / Students from Upper Subansiri, Lower Subansir, Kurung Kumey, Kra Daadi, Papum Pare, East Kameng, West Kameng, Kamle, Pakke Kessang & Tawang.
- ii. For admission to CBZ (Chemistry-Botany-Zoology) combination Students must have passed class-XII with Biology, Chemistry and Physics as subjects while for admission to

PCM(Physics-Chemistry-Mathematics) combination, they must have passed class-XII with Physics, Chemistry and Mathematics.

Note: i. Parents of students residing at capital complex, but have passed from places other than capital complex should submit employment certificate from their employer.

ii. Permanent Resident certificate is to be produced wherever there is claim for permanent residence.

Admission Criteria and Procedure

- i. The E-Prospectus is being published as such no hard copy shall be provided.
- ii. Candidates who have passed their class XII examination in the year 2019 from any recognised Board with ENGLISH as one of the subjects are eligible to apply.
- iii. As per Rajiv Gandhi University norms, students must have obtained a **minimum of 40% marks** in the Higher Secondary Examination (10+2) to be eligible to apply for admission to B.A./B.Sc./B.Com. iii. Semester-I.
- iv. Application for B.A., B.Com and B.Sc. I Semester will be accepted in online mode only at www.dngc.ac.in. While going to online admission, the candidate has to go to welcome portal in which the following instructions will appear
- v. -Welcome to Online Admission Portal
- vi. Kindly Select Course, enter your mobile number.
- vii. Enter OTP
- viii. Move ahead with Application form fill-up process
- ix. For any assistance, interested candidates may contact the college office.
- x. Refer to Course Structure of the concerned discipline (stream) and the semester to select the subjects.
- xi. Application forms along with documents other than I Semester must be submitted in the office within the stipulated dates to be notified separately. Incomplete forms are liable to be rejected.
- xii. Two seats each will be reserved for NCC and NSS volunteers on merit basis for which a certificate must be produced.
- xiii. **Under no circumstances, a student can change his/her subject combination, once admission is over.**
- xiv. *By submission of forms by an applicant does not ensure legal claim for admission in the college.*

No Request by any means shall be entertained after the Last Date
--

Schedule for Admission to B.A./B.Com./B.Sc. Semester-I

Sl. No.	Activity	Date	Time
1	Start of Online application (Open)	19 th August 2020	11 am onwards
2	Closing of Online application (Close)	27 th August 2020	11.59 pm
3	Notification of selected students (1 st List)	1 st September 2020	2.00 pm
4	Date of admission	3 rd – 10 th September 2020	10.00am-1.30 pm
5	Notification of 2 nd List	14 th September 2020	4 pm
6	Admission of selected students of 2 nd List	21 st -25 th September 2020	10.30am-1.30 pm
7	Commencement of classes	14 th October 2020	

FEE STRUCTURE

Fees to be paid at the time of Admission to Semester-I/III/V

University Fees		Amount (Rs)
1.	Registration Fee (Only for Semester-I)	250
2.	Enrolment Fee	50
3.	Eligibility Fee (only in Semester-I) For students from boards other than CBSE	50
4.	Migration Fee	100
5.	Continuation Fee (From Semester-II onwards)	50
6.	University Sports Fee	100
7.	Youth Welfare Fee	100
8.	Late Admission Fee (wherever applicable)	200
College/ Govt. Fees		
1.	College Admission fee	100

Union Adviser – Dr. A. I. Singh

Annual College Day Festival

The Annual College Day is celebrated in the 1st week of November every year. Many competitions in cultural, literary, Games & Sports activities, etc are organized during the event. The students showcase and nurture their hidden talent in different activities'

Inter College Youth Festival

The college participates in the Inter College Youth Festival, which is organized by Rajiv Gandhi University, every alternate year. The college has been winning Championship amongst the colleges consecutively for over many years

Educational Excursion

Excursion plays a vital role in the teaching learning process. Hence, a general excursion for VI semester students is organised every year on the basis of merit. Apart from general excursion, all the departments of Science and Geography do organise excursion separately.

Travelling Concessions

The students are granted the facility of travelling between Itanagar and their respective home towns and educational excursions on concessional rates by railways during the Winter Break and Summer Vacation, as applicable under the rules.

Annual College Magazine

The college publishes an annual college magazine 'ALOKARUN' with contributions from teachers, students and other eminent persons, as a medium to propagate important information and views. The magazine provides an opportunity to the students and other incumbents to develop their literary skills.

College Uniform(dress code)

The College has a specific uniform, i.e., sky blue shirt and black pant. Hence, the college students must come to college in uniform on Monday, Wednesday and Friday while on Tuesday and Saturday they may come on normal but with descent dress. Both boys and girls should always wear full length trousers and full or half sleeved shirts. Sleeveless shirts/short pants/skirts are strictly prohibited. They must maintain proper dress code and are directed not to come to college in casual and indecent dress.

Student's Identity Card

The college issues a unique identity card which serves both for identity as well as library card. It has embedded with high security features (chips) which can easily detect the misuse/duplicity of Identity Card.

National Service Scheme

The NSS unit of the college provides a platform to the students for community work under the dynamic guidance of faculty members. A variety of activities such as literacy drives, health care, social service, etc. are organized to channelize the energy and idealism of the younger generation to creative pursuits. The D.N. Govt. College Itanagar N.S.S. Unit was raised in 1985 with one programme officer and 100 volunteers. Now the college has two NSS Units looked after by two programme officers. The wing undertakes regular activities as well as special camp during every session. It also adopts a nearby village as model village and undertakes various community developments works in the village.

Programme Officers: 1. Ms Pate Jumshi

2. Mr Talom Taloh

National Cadet Corps (N.C.C.)

The N.C.C. is pledged to develop a sense of responsibility, discipline hard work and leadership in the lives of cadets for their motherland. Being trained under N.C.C the students enjoy additional opportunity to choose their future career in police, defence service, etc. The DNGCI, N.C.C. senior division (Boys') wing is supervised by 1 APBN NCC based at Naharlagun with a part-time N.C.C. officer in the unit. The senior division Boys' unit has 160 cadets, supplemented by senior Division Girls' wing with 110 cadets. Students opting for N.C.C. are to collect their forms from the N.C.C. office of the college and they are to submit the forms to the N.C.C officers (Boys & girls).

NCC Officers: 1. Lieutenant. Agin Taboh(ANO)

2. Dr (Ms) Likha Eichir (CTO)

Students grouping in different activities

The students are required to choose any of the following activities. However, the final list of the students in each group shall be prepared on the basis of intake capacity on first come first serve basis. The consolidated list will be finalized in due course of time.

Sl. No.	Activities
1	NCC
2	NSS
3	Arts club

STIPEND AND SCHOLARSHIP

The APST students can avail any one of the following stipend/scholarships during their study in the college. To avail such facilities a student must have 75% attendance in their classes.

State Govt. Stipend

Stipend is provided to the students belonging to APST category strictly in accordance with Arunachal Pradesh Govt.'s decisions communicated from time to time. The eligible student's are required to apply stipend on-line along with the following documents and a printed copy of application and documents must submitted in the college office for verification.

- i. Admission Receipts (2 nos. of Xerox copy)
- ii. Last Examination passed mark sheet, (2 nos. of Xerox copy)
- i. ST certificate (2 nos. of Xerox copy)
- ii. Identity Card of the college (2 nos. of Xerox copy)
- iii. Recent Passport size photograph (2 nos)
- iv. Aadhaar Card (2 nos of Xerox copy) and
- v. SBI Passbook account with IFSC code ((2 nos. of Xerox copy)

IshanUday Scholarship

The students can also avail the Ishan Uday Scholarship. The Ministry of HRD and the University Grants Commission has taken special interest with regard to promotion of higher education in the NER. For improving the GER, promoting higher education and for encouraging children belonging to economically weaker section of the NE region, the UGC has decided to launch "Ishan Uday" Special Scholarship Scheme for North Eastern Region from academic session 2014-15.

Tribal Affairs Scholarship

The students can also avail the National fellowship and scholarship for higher education of ST students provided by the Ministry of Tribal affairs, Govt. of India.

Alumni Association

Alumni (prominent figures): The College has a vibrant Alumni Association to connect the old students and to look back its alma mater. The Alumni of DNGC have gained eminence popularity across the state and the country. They occupy important positions in different fields and notably few of them are as follows:

President–Mrs. T. Azu, General Secretary -Dr. (Mrs.) Helina Mantaw

Post admission requirements (Orientation of fresher's)

Every student is required to attend all the classes and tutorials. The minimum attendance required separately for classroom lectures and tutorials is 75% of total class held during each semester. The students will be divided into different sections and they are to attend the classes in their respective section only. No proxy attendance will be allowed and if any one indulges he/she will be taken to task.

The newly admitted students shall have to undergo a compulsory orientation programme in order to acquaint themselves about the rules, guidelines and procedures to be followed during their stay in the college. The department concerned will conduct such programme before the commencement of formal classes for the session.

Code of conduct: The following are the code of conduct to be adhered strictly by the students –

- (i) Students must maintain and exhibit utmost peace, tranquillity, communal harmony and universal brotherhood in all respect. They are to adhere strict discipline and abide by the rules that govern them. Any breach of discipline/rule or violence/assault will invite severe action including expulsion from the college.
- (ii) Students shall have to be well mannered and polite in their dealing/conduct with the members of the college community in particular and the people in general. They must be helpful, polite and extend assistance in whatever way possible to the guest/visitor of the college.
- (iii) Students should actively participate in all functions/programmes including Annual College Day and other co-curricular activities.
- (iv) Students should display high moral ethics especially during examinations by not indulging in any unfair-means and breach of discipline which will be severely punished.
- (v) Students must maintain silence during working hours. They should desist from disturbing in library/classroom/office by gossiping loudly and loitering along the veranda or corridors.
- (vi) Without any purpose or permission students are not expected to enter the Principal's Chamber or Faculty's Chamber/Common room.
- (vii) Students must endeavour to keep the college compound neat and clean. They should not indulge in defacing the college walls or buildings by spiting, slogan writing, pasting poster, etc.
- (viii) Use of any intoxicated substances such as alcohol, tobacco, cigarette, guthka, tiranga, etc. are strictly prohibited.
- (ix) Use of mobile phone is strictly prohibited inside the classroom and examination hall. Those who carry/keep live mobile will be confiscated forthwith.
- (x) Students must maintain proper dress code reflecting all decency and etiquette. Any type of vulgarity and indecent dress will not be tolerated..

- (xi) Ragging in any form/manner is strictly prohibited. Any student found to be indulged in ragging will attract severe punishment as per the provisions of the law.
- (xii) Any divisive activity/forces based on caste, creed, communal, race, religion, region, language, etc. by any individual/group or organization (s) will not be tolerated. Strict action will be initiated against the defaulter.
- (xiii) Students are expected to gather all relevant information from the notice board placed at the designated point.

Maintenance of discipline among the students: The following shall amount to acts of indiscipline:

- (a) Physical assault, or threat to use physical force against any member of the teaching and non-teaching staff or student.
- (b) Carrying of, use of or threat to use of any weapon in and around the campus.
- (c) Any violation of the provision of the Civil Rights Protection Act, 1976 and Human Rights Acts.
- (d) Violation of the status, dignity and honour of students belonging to the SC/ST/Minority/OBC/PwD.
- (e) Any practice whether verbal or otherwise derogatory women.
- (f) Wilful destruction/damage or defacing of institutional property.
- (g) Creating ill-will or intolerance on religious or communal grounds.
- (h) Causing disruption in any manner of the academic functioning.
- (i) Violation of prohibition norms of Ragging as per the Acts.
- (j) Violation of any of the above mentioned indiscipline acts may lead to initiate appropriate action by the college authority which are as follows –
 - i. Expulsion from the college
 - ii. Rusticated for certain period.
 - iii. Fined with a sum of rupees on physical damages.
 - iv. Debarred from taking exams.

The Principal shall have the authority to exercise all such disciplinary powers over the students in the college as may be necessary for proper conduct of the institution.
