MESSAGE FROM THE PRINCIPAL

It is a matter of utmost privilege and pleasure to extend a warm and heartiest welcome to all the students desiring to take admission in different programs being offered in this premier higher educational institution of the NE region. Pragjyotish College had made its humble beginning, under the initiative of a group of visionary leaders of the region. The college has made exemplary strides from its inception till date. Today, it is not only one of the most distinguished undergraduate co-educational institutions in the entire NE region but is also the college of first choice by many, with programs ranging from higher secondary up to post-graduate. Students from all over the NE region have been nourished here and have excelled in the chosen areas of interests, both in academics as well as extra-curricular accomplishments. The college provides a liberal, lively and competitive environment enabling our learners to carve out a niche for themselves in their respective fields.

My dear students, the whole world as we know, is facing tremendous challenges in many fronts today, including the education sector. The normal teaching-learning process has been disrupted due to the pandemic COVID-19. In these trying times, we have no other option in our hand, but to switch over to the 'online teaching-learning' as well as examination modes. We can express our hope that the pandemic scare will soon cease to have impact on our lives and our society will soon be able to come back to normalcy, thus alleviating the sufferings of all the people. The entire admission process has also necessitated to be switched over to the online mode. Amidst these pandemic times, we braved to assess and accredit our institution through the National Assessment and Accreditation Council for the third consecutive time, which was a challenging task in our hand.

We believe in all-round development of our students. Apart from academic pursuits, great emphasis is laid on a range of co-curricular activities, discipline and character building of the students. Pragjyotish College has a unique distinction: it has a full-fledged National Cadet Corps (NCC) Unit with four wings-Army, Navy, Air and the Girl's Wings. In addition, the National Service Scheme, Red Ribbon Club, Bharat Scouts and Guides and the Youth Red Cross of the college provides our students a platform and ample opportunities for social involvement.

With these few words, I once again warmly welcome you to this august institution and pray to the Almighty for resounding success and excellence. I sincerely wish that after admission you not only get actively involved with the corporate life of the college, but also display exemplary excellence in the academic front, thereby embedding your name in the long and glorious list of proud alumni of our college.

Dr. Manoj Kumar Mahanta
Principal

✚ PRAGJYOTISH COLLEGE: A BRIEF HISTORICAL BACKGROUND

Pragjyotish College, established on 1st September 1954, seven years after Independence, became a beacon of learning and a symbol of aspirations for the common people of Assam, raring to build a new nation. Pandit Tirthanath Sarma, eminent scholar and litterateur, responded to and actively participated in the nation building by taking charge as the founder Principal of Pragjyotish College. From its modest inception as an arts college, Pragjyotish College has now developed into one of the premier institutions of higher education in Guwahati. At present, it is a well-known full-fledged under-graduate college imparting higher education in multiple streams.

Situated on the western bank of the Bharalu, a rivulet, in the western part of Guwahati, Pragjyotish College is about 1 kilometre away from its confluence with the mighty Brahmaputra. It is about 4 kilometres from the Guwahati Railway Station and at a distance of about 20 kilometres from the Lokapriya Gopinath Bordoloi International Airport. At the backdrop of the college is a beautiful panoramic view of Nilachal Hills, the famous abode of Mother Goddess Kamakhya.

In the emblem of the college, is ingrained the motto “तेजस्विनावधीतमस्तु” (*May our study make us illumined*) and a conch shell at the centre on an eight-petalled full-blown beautiful-lotus, which symbolizes pure knowledge and the relationship between the teacher and the learner, praying to the Almighty for energy, protection, maintenance that ultimately leads to peace and bliss.

In its glorious existence of six decades, Pragjyotish College, as *alma mater*, has produced a galaxy of eminent personalities in all walks of life. The college celebrated its Diamond Jubilee Year during 2013–14.
