Note: Downloaded "Certificates" from the web are not subjected to institutional security controls, and are therefore not recognized as certificates. These documents are considered to be "advising reports".

Foreign Education Credentials:

Send records in the original language, along with an English translation that follows the format of original. English translation accompanying foreign-language credentials must be certified by a school / college official.

If examinations are not administered by the university until the final year of the degree programme, please provide an official letter from your college to verify this fact.

Application from Foreign Students:

Foreign applicants may expect the following correspondence:

- * "acknowledgement" letter, soon after his/her application is received.
- * "notice of missing items" letter 10 to 15 days after his / her application is received
- * "notice of admission", letter if the review is favorable
- "visa eligibility" certificates

The Office of International Education (OIE) helps foreign students with living arrangements, visa issues, university procedures, financial issues and the adjustment of college life.
