MESSAGE

I have great pleasure to welcome you all to the University of Rajasthan, Jaipur which is the oldest University of the State established way back in 1947 and ever since then it has become a force to reckon within the field of Education. Our University was re-accredited with 'A' grade by NAAC. The status of University with Potential for Excellence was also awarded to this University by the UGC. Under the Government of India Rashtriya Uchchatar Shiksha Abhiyan (RUSA) we have received a number of grants for development of infrastructure, research and innovation and conducting courses for the benefit of teachers and students in particular and the nation as a whole.

As you enter the portals of the University, you must be feeling excited and anxious to be a part of this prestigious institution. This University will help you to achieve your goals as you study in an eco-friendly environment where work culture prevails.

The Prospectus and our University website provides all relevant information pertaining to your educational requirements. I would also recommend that you keep on visiting the University website www.uniraj.ac.in and stay in touch with your Department/College for relevant information.

I, once again, welcome you to the University of Rajasthan and wish you all the best as you begin your academic journey in a pristine atmosphere.

(J. P. Yadav)

UNIVERSITY OF RAJASTHAN: At A GLANCE

The University of Rajasthan holds the distinction of being the oldest Institution of higher learning in Rajasthan. It was established as Rajputana University on 8 of January, 1947 and recognized from the time of its inception under sections 2f and 12B of UGC Act.

The main objective of the University has been the creation and dissemination of knowledge. It caters to the aspirations for higher education of students of Rajasthan and from other parts of the country. The location of the University is Urban and its Central Campus is spread over 338.14 acres. The satellite campus, comprising the Constituent Colleges, is spread over 138.21 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of seven decades, it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are as follows:

- ★ 9 Faculties, 37 Departments and 18 Research Centers.
- ★ Now the Jurisdiction of the University has reduced to Jaipur and Dausa Districts. Earlier 1139 affiliating Colleges were spread in seven districts of Rajasthan. At present University has 534 affiliated colleges.
- ★ Four of the six constituent Colleges were accorded CPE status.
- ★ Four PG Departments (Physics, Chemistry, Zoology, Philosophy) have been awarded UGC Centre for Advanced Studies status. Department of Physics and Economics have completed DSA Programmes and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) are running DRS programmes.
- ★ Seven of the Science Departments are running DST-FIST programmes.
- ★ Faculty members received funding through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR, DEIT and ICAR. In the last five years more than 80 individual Research Projects have been in operation with an outlay of about Rs.15 Crores.
- ★ A large number of Research Papers and books are being published by the Faculty members regularly.
- ★ During last three years 7 international and 17 national conferences were organized by different departments. In addition to these 44 national seminars 4 international seminars One summer school, one national symposium and 45 workshops were also organized by different departments. Large number of participants and experts attended these conferences/seminars/workshops.
- ★ Faculty participates in prestigious International Collaborations such as Large Hadron Collider at CERN (Geneva), Nuclear Reactor at Dubna (Russia), Synchrotron Radiation Sources in Italy and Chicago, Nano-particle Based Drug Delivery Research in Roswell Park Cancer Institute, State University of New York, Buffalo etc.
- ★ Former Prime Minister Dr. Man Mohan Singh gave recognition to this fact in his address at the 91st

Indian Science congress in Bhubaneswar, in which he mentioned that. "The University of Rajasthan leads among the top universities."

- ★ The university has been accredited with grade "A" by National Assessment and Accreditation Council (NAAC) with CGPA 3.21 in March, 2016.
- ★ University organized 29th Convocation function on 19th December, 2019. Honourable Governor of State Sh. Kalraj Mishra delivered the Convocation address. The candidates received D.Litt. degree, 255 students received gold medals for their merit in different UG and PG programmes and nearly 800 students received their Ph.D. degrees on this occasion.
- ★ The University of Rajasthan has developed an interdisciplinary platform, to facilitate academia industry partnership, the RUBIC society on 24th February 2020 to promote incubation facility with infrastructure training to students, entrepreneurs' start-ups and faculty working in innovation of various subjects. The RUBIC society was inaugurated by the honorable Chief Minister of Rajasthan Shri Ashok Gehlot, on 28th February 2020, with the release of the booklet of RUBIC. RUBIC aspires to create a top class incubation facility for startups of Rajasthan. Incubation facility offered includes laboratory and instrument access, office space, high-speed internet conference facility and the budding entrepreneur's access to mentors and angel investors' network.
- ★ University has put up two start ups and five research projects in the Higher Education & Human Resource Conclave organized in Hotel Clarks Amber during 16-17 December, 2019. The two startups have been developed by UIC B. In addition to these four experiments developed by Center for Development of Physics Education were also displayed. The conclave was inaugurated by Sh. Ashok Gahlot, Chief Minister, Rajasthan. He spent nearly 10 minutes on the three stalls and took interest in the products developed by university. Minister of Higher Education and Minister of Technical Education were accompanied him. Dr. Anil Sahashrabudhe, Chairman, AICTE also spent nearly 20 minutes time on the stalls and obtained detailed information about different items displayed in the stalls.
- ★ University organized Placement fair on 20th December, 2019. 71 companies participated in the fair to recruit students and picked nearly 5600 students for different jobs. Some of the companies issued appointment letters to shortlisted candidates during the placement fair.
- ★ University with Potential for Excellence (UPE): UGC has recognized the University of Rajasthan amongst the top 15 Indian Universities with Potential for Excellence (UPE) in 2012. A grant of Rs. 50 Crore has been sanctioned for enhancement of academic & research activities.

- ★ Emphasis on Open Source Technology for application development.
- ★ Computer Labs, Research Centers and provision of computers in all the sections of administration and academics.

Global Demand

- ★ Offering globally relevant PG and research courses. e.g. Computer Science, Management, Biotechnology, Microbiology, Converging Technologies, Social Sciences, Women's Studies, Arts, Geo-Informatics, Mineral Processing, Instrumentation Technology, Material Science, Pharmaceutical Chemistry, Journalism etc.
- ★ Provision for training and development on practical skills and human resource skills leading to global competencies.

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, Constituent Colleges and Affiliated Colleges/Institutions. The University offers 46 Ph.D. Programmes, 25 M. Phil Programmes, 51 Masters degree programmes, and 18 Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for organizing conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

Teaching Units

The University of Rajasthan consists of the following components:

- Constituent Colleges
- Post-graduate Teaching Departments / Centers
- Research Centers

(a) Constituent Colleges

Undergraduate teaching is imparted in seven constituent colleges of the University, while the teaching faculty appointed in the University Post Graduate Departments:

6

- (i) University Commerce college (Commerce Faculty)
- (ii) University Law College (Law Faculty)

Looking to the needs and demands of students, the University started courses at Rajasthan College, Maharani, Maharaja and Commerce Colleges on self-financing basis.

All the constituent colleges provide library and sports facilities and motivate the students to join NCC and NSS programmes. Besides this, colleges also organize seminars, workshops, lectures and panel discussions to strengthen academics.

(b) P.G. Departments

Faculties of Arts, Science, Social Science, Commerce, Law, Management, Fine Arts, Education and Engineering & Technology are running PG programmes. Accept in some SFS programmes, Admission to the P.G. Courses are based on entrance tests and merit. Some of the P.G. Departments also run need-based self-financing courses. Eminent scholars have been the faculty in this university including Professors Raja Chelliah, Raj Krishna, L.S. Ramaswami, C.V. Subramaniam, M.V. Mathur, P.N. Srivastava, R.K. Kaul, R.C. Mehrotra, Yogendra Singh, G. Ranganathan, Satish Chandra, Dayakrishna, Om Prakash, Iqbal Narain, G.C. Pande, B.L.Saraf, S.Loknathan, S.P.Verma, C.P.Bhambhri, V.R.Mehta, Y.K.Alagh, C.Rangarajan etc.

Research support and Special Assistance have been made available to many departments by the UGC. Several departments are actively engaged in innovative research, and have been recognized for the FIST, COSIST, CAS, SAP-DRS-I and II and DST DAAD programmes of the University Grants Commission. The research done by the faculty members have been reflected in publications of articles in peer-reviewed journals. Some teachers have been honoured with international and national awards and citations.

Depending upon the disciplinary advancement, needs of the students and the demands of society, syllabi have been upgraded time to time. The process of globalization has also prompted formulation of new courses which may go a long way in providing jobs to the students. Some of the courses started in recent times are as follows:

Post-Graduate Courses:

- (i) Biotechnology
- (ii) Microbiology
- (iii) Information Technology
- (iv) Journalism & Mass Communication
- (v) Finance Control
- (vi) Management
- (vii) International Business
- (viii) Environmental Science
- (ix) European Studies

The Under-Graduate Courses:

- (i) Computer Applications
- (ii) Business Administration
- (iii) Fine Arts
- (iv) Music
- (v) Library & Information Science
- (vi) Physical Education

The Five Year Integrated Courses:

- (i) Dual Degree B.Tech-M.Tech in Converging Technologies
- (ii) B.A. LL.B. Hons.

(c) Research Centres

The University also provides opportunities to the deserving students and teachers to undertake research in the fields of their specialization. For this purpose, Research Centers have been established. These research Centers have strengthened research, and some of them offer M. Phil Programmes of study. The following Centers are in existence:

1. Centre for Jain Studies
2. Centre for Converging Technologies
3. Centre for Computer Science & Information Technologies
4. Centre for Development of Physics Education
5. Centre for Non-Conventional Energy Resources
6. Indira Gandhi Centre for Human Ecology, Environmental and Population Studies
7. Shri Guru Gobind Singh Chair for National Integration and Sikh Studies
8. Centre for Ambedkar Studies
9. Centre for Life Long Learning
10. Centre for Museology and Conservation
11. Centre for Gandhian Studies
12. Centre for Rajasthan Studies
13. Centre for the Study of Social Exclusion and Inclusive Policy
14. Centre for Women Studies
15. South Asia Studies Centre
16. Social Sciences Research Centre
17. Centre for Mass Communication
18. Centre for Museology and Conservation

UGC Human Resource Development Centre

The UGC- Human Resource Development Centre

(known as Academic Staff College, prior to April 1, 2015) of the University of Rajasthan, Jaipur was established on 11th May, 1988 under UGC's scheme of setting up Academic Staff Colleges (ASCs) in suitable universities in India, in the wake of National Policy on Education (NPE) 1986 which emphasized the crucial link between teacher motivation and the quality of education.

As per UGC XII Plan revised guidelines, the existing Academic Staff Colleges have been renamed as UGC Human Resource Development Centres (HRDCs) w.e.f. 1st April, 2015.

On the initiative of the MHRD, in 2012, the NAAC peer review committee had visited our ASC (HRDC) for its accreditation. It was ranked as the second best performer amongst 66 ASCs (HRDCs) in India.

University Science and Instrumentation Centre

University Science and Instrumentation Centre (USIC) has endowed with advanced instruments as central facility like SQUID, SEM, TEM etc. catering to the need of University Science departments for research. These facilities information is available on uniraj.ac.in/usic/. The facility can also be accessed by other academic institution as per UOR rules and details are available on university website. Besides the above, mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling are also available to those trained in and can do on their own.

Infonet Centre

Infonet Centre maintains university website (www.uniraj.ac.in) and Web servers. The website information is updated by this Infonet Centre according to the request of the respective Academic unit, Administrative unit. Infonet Center caters Optical fiber Network in the University Campus. This connects all academic units, administrative offices, Guest House by using distribution switches and Access Switches. This Network is also supported by Optical Fiber backbone. This acts as an Internet gateway for the campus-wide university network. The campus-wide University network consists of state of the art networking equipment capable of providing high bandwidth with 1 Gbps fiber backbones at distribution level to provide connectivity to all Faculties, Departments and Centres. The National Knowledge Network (NKN) Govt. of India project Point of Presence (PoP) is commissioned in the Infonet Centre through which University students and staff are interconnected through Internet with up to 1 Gbps connectivity for resource sharing with all major educational and research institutions across the country.

University Printing Press

The University has its own Printing Press, established 1962. It looks after the publication needs of the University, Departments, Colleges and University administration.

Administrative Service Pre-Entry Training Centre (APTC)

The Centre was set up by the University in 1978 and it's given the status of an Independent Centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 41 years on, Self Financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10th & 11th Plan for coaching of RAS, CS, RJS, NET/SLET, Bank P.O., Spoken English and other competitive examinations. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

Academic Commitments of the University

- ★ National and International Seminars, Lectures and Workshops are organized regularly and faculty members are given all possible financial and academic support to participate in such events at National and International levels. Eminent scholars are also invited to the University as visiting faculty.
- ★ Statutory bodies like the Senate, the Syndicate, the Academic Council, the Faculties, the Research Board, the Boards of Studies and the Board of Inspectors are regular in their meetings and vibrant and vigilant in their deliberations.

Important Information

- ★ Ragging is strictly prohibited in the University Campus /Constituent Colleges and outside University Campus. If any such incident is brought to the notice of the University Administration/Officer the concerned students after being found guilty will be expelled from the University in compliance of the direction of Hon'ble Supreme Court.
- ★ The candidates are advised to acquaint themselves with the University Statutes/Ordinances/Rules/Regulations/Syllabi. The Syllabi are available on the University website <http://www.uniraj.ac.in>. and amendments made therein from time to time. The students are also advised to read the important and useful Ordinances of the University.
- ★ All students admitted are required to carry with them their current identity cards, duly authenticated by the concerned unit head failing which disciplinary action may be taken.
- ★ As per the direction of Hon'ble Supreme Court (1997), 'Committee for Prevention of Sexual Harassment of women at work place' has been constituted. Any complaint in this regard can be filed with the concerned HODs/ Principals/ or at the Centre for the Women's Studies where the Committee is situated. Information regarding admission to M.Phil. and Ph.D. courses will be provided separately.
- ★ A student is liable to be penalized for any kind of indiscipline, as defined in Ord. 88, including restiction from the College/Department/Centre/Hostel or any legal proceedings, as per the provisions of Ordinance 88.
- ★ The student is required to complete 75% attendance, as per the provision of Ordinance 144, for appearing at their examinations.
- ★ Group Insurance is mandatory for all students.
- ★ Concerned Unit Head may be contacted for any clarification.
- ★ The basic preventive measures to be followed by all students at all time to reduce the risk of infection with COVID-19. These include :
 - (i) Physical distancing of at least one meter to be followed at all times.
 - (ii) Use of face covers/masks are mandatory.
 - (iii) Parctice frequent hand washing (for at least 40–60 seconds) even when hands are not visibly dirty and use of alcohol based hand sanitizers (for at least 20 seconds).
 - (iv) Respiratory etiquettes to be strictly followed. This involves strict practice of covering one's mounth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing off used tissues properly.
 - (v) Self-monitoring of health by all and reporting any illness at the earliest.

1. For students seeking admission to a second or subsequent post-graduate course, 60% marks in the aggregate at the qualifying Bachelor's degree examination or at the P.G. examination already passed by the candidate are required.
2. **Calculation of Merit :**
 - (a) For calculating the merit of a candidate for admission to M.A./M.Sc./M.Com. courses, the merit list will be prepared by adding the marks obtained by him/her at the qualifying examination (Bachelor's Degree examination) to the marks obtained by him during the 3 year examination in the subject concerned in which he/she seeks admission to his/her post graduation course. This grand total will be converted into percentage.
 - (b) For subjects where admission is by an entrance test, the merit list will be prepared in accordance with the rules approved for that test.
 - (c) For Honours students, the percentage of marks obtained at the B.A./B.Sc./B.Com. Honours Examination as a whole taking into account the marks obtained in the Honours subject as well as the subsidiary subject(s) will be taken into consideration.
 - (d) 5% Weightage shall be given to the B.A., B.Sc., and B.Com. students seeking admission to the P.G. Course in their Honours subject. [This weightage will not be admissible to the students passing B.Sc., B.Ed., (Hons.) Examination].
3. Non-Subject Candidates who want to do their post-graduation in the subject which was not studied by them at their Bachelor's degree examination will be considered for admission

provided (i) they have obtained at least 55% marks at the Bachelor's degree examination and (ii) the percentage of marks obtained by them at the Bachelor's degree examination is not less than that obtained by the last candidate admitted. The Department may, if necessary, conduct a qualifying test for such non-subject candidates. The merit list of the candidates, who qualify, will be prepared on the basis of their marks in the aggregate at the first degree examination.

For admission to M.A.(Previous) English, all nonsubject candidates will have to pass a Test of Proficiency in English before they can be considered for admission.

The number of non-subject students will not exceed 20% of the total strength admitted unless the students with a first degree in the subject concerned are not available.

Note:

- i. Candidates with their first Bachelor's Degree in Commerce and Agriculture seeking admission to Post-graduate classes in Economics or Statistics will be considered as candidates of other subject.
- ii. In the case of candidates possessing LL.B. degree of two or three year course and seeking admission to a Post-graduate Course, the percentage of marks of their first degree examination passed by them before joining the LL.B. course will be considered.
- iii. For admission to M.A. Previous Anthropology a candidate having a Bachelor's Degree with 48% marks in the aggregate will be deemed eligible for admission.
- iv. All B.A./ B.Sc. graduates are eligible for admission to M.A./M.Sc. Previous Psychology as non-subject candidates provided they have obtained 55% marks in their Bachelor's Degree Examination. In case of the Departments where a sufficient number of students with a Bachelor's Degree in that subject are not available, the above rules shall not apply provided that the candidate fulfils the minimum eligibility requirements as given in para 1 above.

Guidelines for Students' Entitlement as per UGC Letter D.O. No.14-32/2011(CPP-II) Dated 25-04-2013

These guidelines have been issued by the University Grants Commission (UGC) in order to help students, teachers, administrators and institutions understand what the minimum entitlements of the students are. These guidelines apply to all the colleges and universities in the country (this expression includes every institutions of higher education even if it is not called college/university) without any exception. It shall be mandatory for every college/university to publish the present Guidelines in full in its Prospectus and also post it on the homepage of its website. Fulfillment of these entitlements imposes obligations on educational institutions, administrators, policy makers, teachers and students themselves. If these obligations are not met, a student can approach the Grievance Redressal Authority or the Ombudsman. Any serious or persistent violation of these Guidelines can be brought to the notice of the University Grants Commission and can be the basis of punitive action against the offender. Some of the provisions stated here are already covered by existing laws or Rules and Regulations of the UGC. But the students shall continue to enjoy all the right under existing laws, rules and regulations which may not have been mentioned in these Guidelines.

1. Admission

- 1.1. An announcement or advertisement for any course of study must clearly specify whether the degree granted is notified by the UGC and other relevant statutory authorities [Under Section 22 c of the UGC Act, latest list available at the UGC website] and whether the university that awards the degree figures in the list of universities maintained by the UGC [available at the UGC website].
- 1.2. A student seeking admission is entitled to a document (usually called 'Prospectus') that specifies the curricula including syllabi, names and academic profile and status of the faculty, mode and frequency of evaluation, duration of the course, academic calendar, comprehensive information about fees or charges of any kind, and refund rules. The information given in the prospectus should not be changed to the disadvantage of the student during the course of study; any change if necessary must be communicated to each student individually spelling out reasons for such a change.
- 1.3. The Prospectus must spell out exactly the process and criteria for admissions. This includes weightage given to previous academic performance, entrance examination and interview. The syllabi and format of the entrance examination must be spelt out. The final scores of each candidate who appeared for entrance examination including all the components and the entire waiting list must be made public.
- 1.4. Information about any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these must be stated clearly in the Prospectus.

- 1.5. The student must not be asked to produce documents which have not been mentioned in the Prospectus. While the institution can ask the student to produce the original documents (such as School Leaving Certificate, Marksheet, Caste certificate) for verification, they cannot retain any original documents of any students. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

2. Quality of teaching and learning

- 2.1. It is the responsibility of the college/university to help the students develop their learning skills by facilitating the creation of learner centric environment conducive for quality education. The students are entitled to receiving instruction and reading material in all the languages allowed by the institution as medium of instruction or examination.
- 2.2. The students who begin with a difficulty due to social handicap or a shift in the medium of instruction are entitled to special support to bridge the gap.
- 2.3. The students are entitled to availability and presence of qualified teacher, fulfillment of the specified number of teaching days and contact hours for each course and completion of syllabus on time. [UGC Regulations on Minimum Qualification of Teachers... 2010]
- 2.4. The students are entitled to reasonable access to facilities, services and resources including library (that stocks textbooks, reference books, journals, e-resources), laboratories, and ICT facilities in the languages permitted as medium of instruction or examination.
- 2.5. The student are entitled to fair, transparent and timely evaluation, including fair provisions for timely re-checking or re-evaluation of the scripts and redressal of any grievance related to the evaluation process. The students are entitled to a copy of their answer scripts after the declaration of results.
- 2.6. The students are entitled to timely conduct of examination and declaration of results as specified in the academic calendar in the Prospectus. They shall be entitled to the award of degree within 180 days of the declaration of results.
- 2.7. The students are entitled to give regular feedback on the quality of teaching, students services and institutional infrastructure. The college/university shall establish mechanisms for seeking this feedback regularly and taking student feedback into account for review and improvement.

3. Fee and financial aid

- 3.1. The students are entitled to prior and full information about amount, components, frequency and mode of any kind of payment including fees or charges of any other kind and refund rules. If a student withdraws before the beginning of the course, the student should be

refunded the entire fee given to it with a maximum deduction of Rs. 1000. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

- 3.2. A college/university will make utmost effort to ensure that no student is deprived of opportunities of quality education for lack of sufficient financial resources. It is the responsibility of the policy makers to ensure that sufficient funds are made available to implement this principle. The Prospectus shall contain consolidated information about scholarship/fellowship/financial aid scheme of any type that that is available to the students. It shall bring to notice and assist the students in accessing such schemes. It shall ensure that the procedure for selection is fair and transparent.

4. Infrastructure

- 4.1. The students are entitled to access to appropriate resources including classrooms, libraries, laboratories and other academic facilities necessary for quality education. [UGC rules and regulations for fitness of universities and colleges for Grants under section 12 B of the UGC Act 1956, Private University Regulation, Deemed University Regulation].

- 4.4. The students are entitled to a reasonable access to adequate, clean and hygienic hostel/residence accommodation that provides basic amenities including recreational facilities. Such accommodation should be affordable and must not be utilized by the institution for profit making. Accommodation meant for students must not be encroached upon by the institution for any other purpose.
- 4.5. Student with disability are entitled to access to all schemes, facilities and services in the university without discrimination. The college/university shall strive towards a universal design of learning based curriculum that can address the needs of the broadest possible range of students by minimizing barriers and maximizing learning for all students. The college/university shall provide barrier free access, special library resources (including Braille and ICT resources), provisions for sign language interpreter/transcriber, the required equipments and electronic resources and the required relaxation in examination to all students with disability. [Person with Disabilities (Equal Opportunity, Protection of Rights and Full Participation) Act, 1995; UGC D.O.No.F-6-1/2006(CPPII), F.No.6-1/2012(SCT)]
5. The students are entitled to non-discriminatory treatment (in the sense of absence of harassment, victimization or exclusion) in every aspect of institutional functioning. Any discrimination based on caste, gender,

creed, colour, race, religion, place of birth, political conviction, language and disability shall be prohibited.

- 5.1. In particular, institutions shall not discriminate against students belonging to Scheduled Caste and Scheduled Tribes and racial profiling of students from any region or ethnic group. [UGC (Promotion of Equity in Higher Educational Institutions) Regulations, 2012]
- 5.2. The students are entitled to protection from sexual harassment by complaining to the Gender Sensitization Committees against Sexual Harassment. It is mandatory for each college/university to constitute and publicize this committee as per the Guidelines and norms laid down by the Hon'ble Supreme Court [Vishaka and Others Vs. State of Rajasthan and Others(JT 1997 (7) SC 384)]
- 5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]
6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.
7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.
8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005].
9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]
10. The UGC may issue instructions for proper implementation of these Guidelines.

Introduction

The office of the Dean, Students' Welfare & International Students' Advisor (DSW & ISA) helps the University students in the overall development. This office provides career counselling for the students to enable them to choose academic fields of their interest.

This office also monitors the 'Students' Group Insurance Scheme' for regular students of this University. Out of the Students Welfare Fund of the University, the office facilitates the University in providing "One time financial assistance" who belong to economically weaker sections with higher academic grades.

Under the administrative supervision of the DSW, there is Rajasthan University Students' Union (RUSU) which consists of four office bearers namely President, Vice-President, General Secretary and Joint Secretary who are elected directly by the regular UG and PG students of the University. One research scholars' representative is elected by the regular M.Phil and Ph.D. students.

The Dean Students' Welfare and the RUSU collectively organize numerous cultural and academic activities. Inter-College Youth Festival is organized in the month of September/October every year. This competition is among the Constituent Colleges, Departments, Centres of University and Affiliated Colleges. This helps the DSW to make a team for the International Youth Festival i.e. (Ghoomar) which is a prestigious cultural activity of our University.

Calendar for the activities to be held in the academic session 2020-21

1. RUSU Election when declared by the State Government.
2. Blood Donation Camp September 2020 to January 2021
3. Students Group Insurance Coverage (Death/Accidental) will announce in the month of August 2020.

About the Department

On the auspicious occasion of Lord Mahaveer's 2500th Nirvan Mahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabhramsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year various Fellowships and Scholarships.

Director

Dr. Rashmi Jain

It has so far organised more than 5 International, 10 regional and 31 National Seminars and held several extension Lecture-series, and published about 26 books on Jainology and Manuscriptology. In 2019 the Centre has organized a one day National Seminar on "अनेकांतवाद और सर्वोदय" on 23rd March 2019.

It has its own Library and subscribes to a large number of Journals and Magazines, relevant to the Jain Studies and allied subjects.

Research work has been carried out in Centre and as many as 250 research scholars have been awarded D.Litt, Ph.D. and M.Phil Degrees in Jain Studies by this University.

Infrastructural Facilities:

The Centre has an adequate computer laboratory with internet facility, a manuscript library for the use of research scholars as well as a Reference library for oriental studies and general studies.

Department of Life Long Learning

(Formerly Deptt. of Adult and Continuing Education)

Lifelong education is the cherished goal of an ideal educational process. In a technology-driven, knowledge-based competitive economy, the landscape of learning is changing. Keeping in view the socio-economic changes taking place in the country, the acquisition of relevant skills and regular upgrading of skills implies the need for creating a variety of training and learning opportunities. The Department of Lifelong Learning (DLL), University of Rajasthan caters to this critical development issue of continuous development of quality and quantity human resources and up-gradation of skills.

There is no doubt about the fact that the responsibility of every university is to discharge adequately its responsibilities to the entire education system and the society as a whole which has been assimilated and applied by the Department of Lifelong Learning in the manifestation of carrying out the extension activities for various target groups ranging from illiterates, semi-literate to experts, professionals and elite groups.

With the purported aim of expanding the frontiers of knowledge and extending the institutional resources to the community DLL conducts short term training courses, workshops, seminars, summer schools, capacity building, and skill development programs, etc. throughout the year. The department organizes programs that are need-based, flexible, catering to the diverse needs of small and large segments of people.

So far, DLL has been successful in reaching out to

Director

Singh, Jayant

large sections of society, especially the marginalized and disadvantaged, through varied interventions and capacity enhancement endeavors. It has been instrumental in conducting sensitization and awareness programs regarding universal literacy, gender justice, HIV/AIDS, environment conservation, e-learning, sanitation, entrepreneurship development, etc.

Special thrust remains on capacity building, leadership skills, personality development, stress management, career counseling and guidance program for youth. DLL also develops teaching-learning, instructional, training and promotional material as a part of providing academic/technical support to different programs. DLL has engaged in conducting English language teaching classes in rural areas, government schools and urban slums for the needy and poor. The department also has an e-learning facility for senior citizens and other deprived sections of society. Collaboration and support for various activities and programs are also solicited from university departments, colleges, NGOs, and resource centers of the National Literacy Mission.

The aims and the objectives of the Department are to promote a meaningful sustained and stimulating relationship between the University and the community. The impetus is to provide opportunities for a learning society, to facilitate the overall development of people and meaningfully help in improving the overall quality of life.

Centre for Converging Technologies

Convergence and adumbration

The expression converging technologies refers to the synergistic combination of four major "NBIC" (Nano-Bio-Info-Cogno) streams of science and technology, each of which is currently progressing as a pivot on its own: (a) nanoscience and nanotechnology; (b) biotechnology and biomedicine, including genetic engineering; (c) information technology, including advanced computing, IOT, AI and communications; and, (d) cognitive science, including cognitive neuroscience. Rapid advances in converging technologies have the potential to payoffs will include improving work efficiency and learning, enhancing individual sensory and cognitive capabilities, revolutionary changes in healthcare, improving both individual and group efficiency, highly effective communication techniques including brain to brain interaction, perfecting human-machine interfaces including neuromorphic engineering for industrial and personal use, enhancing human capabilities for defense purposes, reaching sustainable development using NBIC tools, and make better the physical and cognitive decline that is common to the aging mind.

About the Centre:

The Centre for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of Nanotechnology, Biotechnology and Bioinformatics, Information & Communication Technology and Cognitive & Neuroscience (NBIC) technologies so as to accelerate techno-economic development of the country.

The Centre is pursuing the following activities:

- Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.
- Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.
- Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating, designing, and applying NBIC technologies in an innovative way.
- Developing laboratories and facilities to efficiently engineer and design new products.
- Promoting research in allied theoretical science, Systems Biology and Metabolomics.
- Encouraging post-doctoral students in Converging Technologies to boost the capacity for research.
- Imparting postgraduate education in Converging Technologies.
- Collaborating with Industry, National and International Institutes/Universities to augment NBIC research so as to accelerate techno-economic development.

Infrastructure Facilities:

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Late Shri R.P. Goenka. The first phase of Centre's new building has been completed in 2009. It has specifically been designed to meet the requirements of Converging Technologies research and education activities. It has fully networked, well-furnished, air-conditioned, dust and germ free research labs and class rooms. A State of the Art research infrastructure is being created with assistance from various funding agencies and through public private partnership. The government of Rajasthan has announced in budget in 2011 (State Budget Announcement No. 155) a Rs. 13 Crore budgetary support to setup a "Centre of Excellence for Nanotechnologies" at Centre for Converging Technologies.

In 2014, under the Scheme "National Initiative for setting up of Design Innovation Centers", DIC Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan. The DIC will receive a total financial support of Ten Crore

rupees from Department of Higher Education, MHRD, GOI and has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh, and Lachoo Memorial College of Science and Technology, Jodhpur.

In 2014, CCT was awarded a grant of 222 Lacs by Biotechnology Industry Research Assistant Council (BIRAC) to establish University Innovation Cluster in Biotechnology (UIC-B). This is a unique platform acting as the nodal center for budding student entrepreneurs and innovators with industry academia collaboration.

CCT has been selected as nodal centre for the DBT-supported IPLS programme under which a grant of Rs. 10 Crores has been sanctioned by Govt. of India. Sixteen students awarded fellowship under the programme. The phase 2 of CCT building construction has been completed with support under IPLS and from Centre's own fund as it runs under SFS. It was inaugurated by Hon'ble Chief Minister Shri Ashok Gehlot on 24th January, 2013. Research equipments have been housed at CCT under IPLS program too.

The Centre plans to collaborate with leading International Universities and Research Institutes to foster research in Converging Technologies. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X Semester at premiere research institutes like BARC, IISc, IITs, IITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI. Several students have qualified NET, GATE, JEST and GRE.

Ph.D. Programme:

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Biotechnology and Bioinformatics, Information and Communication Technology, Cognitive & Neuroscience. The research scholars are working mainly on the following areas. The admission will be through Uniraj-MPAT.

Thrust Areas:

- Nanotechnology
- Biotechnology and Bioinformatics
- Information and Communication Technology
- Cognitive and Neuroscience

Master's Programme

(1) Ten Semesters (Five year) Integrated Dual degree Master of Technology (M. Tech.) course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland International Conference on Management of Engineering and Technology 2007(PICMET-07), Portland, USA.

The Master's programme includes two years of common curriculum in all fields of basic science and engineering. The third year course involves training in all streams of converging technologies. The last two years

of programme is fully customizable in specialized domains in the streams of converging technologies.

All courses of First to Fourth Semesters are assigned credits as General. On successful passing of all papers of First to Tenth Semesters the candidate will be awarded dual degree B. Tech. and M. Tech. in a particular stream of Converging Technologies. M. Tech. Degree will be awarded on the basis of performance in all ten semesters and in the stream in which he/she has obtained maximum credits. B. Tech. degree will be awarded on the basis of performance in first to eighth semesters and in the stream in which he/she has obtained maximum credits in these semesters. The training will include multidisciplinary perspective necessary for rapid progress of the new technologies and create a synergistic view for potential application in various areas of relevance. Medium of Instruction and Examination is ENGLISH only.

The students of Centre for Converging Technologies enjoy an active campus life with several invited talks, seminars and interactive sessions by eminent experts. The annual cultural and sports event has been a very attractive feature providing a week long celebrations and opportunities to showcase talent.

Seats: 120 + 15% NRI Seats

- Nanotechnology
- Biotechnology and Bioinformatics
- Information & Communication Technology
- Cognitive and Neuroscience

Fee: See SFS Fee Schedule (Tuition fee for the session 2020-21 will be around Rs. 46170 with Tuition fee: 40000, Caution Money (refundable): 3000, University fees: 1895 and local fund CCT: 1275)

Eligibility:

Admissions will be made purely on the basis of merit in international / national level entrance exams like SAT, JEE (Advanced), JEE (Main), NEET, AIIMS, BITSAT, RPMT etc or XII Board Examination. The candidate should have passed the XII (10+2) with science subjects (both Mathematics and Biology group students are eligible). Minimum eligibility shall be 55% score or equivalent grade in the Senior Secondary Examination of RBSE or CBSE or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. The number of seats may be increased from present 120 on approval of the Vice-Chancellor to accommodate more talented students as course is run under SFS and facilities created may be optimally used. Students who are appearing for XII examination in 2020 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students.

(2) Six Semesters (Three year) Master of Technology course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last six semesters of Ten Semester M. Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Fifth Semester of students of batch admitted in academic session 2018-19. The first year course involves training in all streams of converging technologies. The last two years of education will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Sixth Semesters (i.e. Fifth to Tenth Semesters of Ten Semester M. Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he/she has obtained maximum credits.

Medium of Instruction and Examination is ENGLISH only.

(4) Diploma and Certificate Courses.

Center is also offering Diploma and Certificate courses in the following areas for session 2019-20:

- (i) Diploma Course in Innovative Food Design (12 months duration).
- (ii) Certificate Course in RF Planar Component Test (6 months duration).
- (iii) Certificate Course in Computer Assisted Drug Design (6 months duration).
- (iv) Certificate Course in Product Design Employing Different Types of Coatings (6 months duration).
- (v) Certificate Course in Product Design Optimization for Artificial Limb Via soft computing approach (6 months duration).
- (vi) Certificate Course in Innovation in Material Sciences for Inclusive Development (6 months duration).

Seats available in each diploma and certificate course: 30

Fee:

- (i) For Diploma course (Tuition fee Rs. 5000/- per semester).
- (ii) For Certificate course (Tuition fee Rs. 5000/-)

Admissions will be made purely on the basis of merit in B.Sc. /B. Tech. / B.E. Minimum eligibility shall be 55% score or equivalent grade in the B.Sc. /B. Tech. / B.E. or equivalent. Reservation of seats will be as per University and Government of

Students who are appearing for B.Sc. / B. Tech. / B.E. Final examinations in 2020 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing the bachelor examination.

Admission Procedure for above Master Courses:

Admission to the Master of Technology in the four streams of Converging Technologies will be made through an Online Application Form to be filled and submitted by students as per details given on website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>. The candidate will be called for counseling on the basis of their merit position in the respective category. The candidates will be required to appear in counseling to be held at Centre at their own expenses. At the time of counseling the candidate must bring all documents in original and Photostat

copies and four passport size photograph along with a bank draft of Tuition fees (will be intimated separately) in favour of Director, Centre for Converging Technologies and payable at Jaipur towards first semester tuition fee. The candidates will be required to fill the University Application Form and submit the same along with the other fees payable as per University Prospectus. Fees once deposited will not be refunded after start of the semester classes.

Admission Procedure for above Diploma and Certificate courses:

The admission notification for above Diploma and Certificate courses for the session 2019-20 will be given separately in news papers and on university website <http://uniraj.ac.in/cct> or <http://uniraj.edu.in/cct>.

Note: - For any information, the students may visit the Centre for Converging Technologies. The queries may be addressed to cct.uniraj@gmail.com. Telephone number of office is 0141-2700370

University Innovation Cluster In Biotechnology (UIC-B)

University Innovation Cluster in Biotechnology (UIC-B) is a milestone program of BIRAC initiative jointly with the Biotech Industries. Here at University of Rajasthan focus area of UIC is Converging Technologies. The key objectives of the program are:

- To play the role of a facilitator to stimulate entrepreneurial activities within the Universities & Academic Institutions and linkages with the industry.
- To develop area specific technologies for the industries through R&D projects of student entrepreneur.
- To develop and strengthen the Industry-Academia partnership for research sponsorships development and effective transfer of know-how from the University to the entrepreneurs and industry.
- To provide Intellectual Property protection and management services and facilitate the technology transfer and commercialization.

The current project aims towards establishment of a platform for increased participation, interaction and mutual co-operation between academia and industry. The focus of the proposal is converging technologies. The project aspires to evolve new strategies, products and services which can be commercialized and can be later taken up for university spin-off and start-ups. Tentatively five major thrust areas have been identified for UIC in collaboration with our industrial partners viz. development of commercially viable phytochemicals, stem cells as cellular therapeutics, isolation and characterization of microbial enzymes for plant secondary metabolite extraction and development of value added food products, industry oriented amalgamation of domain with biological data and establishment of nanomaterial synthesis facility for water purification solutions.

The output/outcome of the project would be utilized for an industrial application project and also the potential to develop into a technology or prototype with through academic and industrial mentoring. The initiative would aim towards self-sustainability through endowments,

royalty, financial support from government funding agencies and industries, consultancy charges and extension services.

Fellowships and Projects

• Innovation Fellowships:

There are two Post Doctoral and four Post Master's BIRAC Innovation fellowships.

Sponsored Research Projects:

In order to undertake sponsored research projects, the potential industrial partners with specific scientific concerns have been identified. A plan of action for solving the problem in collaboration with industry is being formulated. The plan will be executed with the co-operation of all stakeholders. Financial aid in the form of fellowships to execute sponsored research projects will be provided.

- R & D for testing the ideas/discovery for taking it to proof of concept:

This will be done jointly with Industry/ academia and other organizations.

Activities

1. Development of commercially viable phytochemicals

Objectives: Development of herbal-based bioactive drugs & phytochemicals and their cytotoxicity effects using cell lines.

2. **Stem cell as cellular therapeutics**

Objectives: Isolation and identification of stem cell derived growth factors and cytokines for regeneration/repair and other cosmetic applications.

3a. Microbial enzymes for plant secondary metabolite extraction and development of value added food products.

Objectives: Commercial exploitation of microbial sources for industrially important enzymes.

3b. Microbial enzymes for plant secondary metabolite extraction and development of value added food products.

Objectives: Development of value added convenience and ready to eat food products enriched with phytochemicals.

4. **Industry oriented amalgamation of in-silico domain with biological data**

Objectives: To develop optimized algorithms and simulations for Genome analysis.

5. **Establishment of nanomaterial synthesis facility for water purification solutions**

Objectives: Carbon nano tube synthesis and immobilization into polymeric/ceramic membranes for water purification system

Rajasthan University Biotechnology Incubation Centre (RUBIC)

RUBIC is a non-profit biotech business incubator facility established with the help of State DST Government of Rajasthan and formalities are undergoing to launch in the next few months. Our mission is to facilitate and assist the creation, growth, and success of the next generation of biotech companies in state of Rajasthan to nurture entrepreneurial and economic development in the community. We aim to do this by maintaining affordable lab and office space and making progressive technology, services, training, mentoring, and a network of professional advisors available to small biotechnology companies and healthcare-related start-ups

The Project aims towards establishment of a platform for increased participation, Interaction and mutual co-operation between academia and industry for design innovation. The focus of the proposal is converging technologies. The project aspires to develop a continuously evolving curriculum for innovation in process, product and system design aligned to meet the needs of the industries in the milieu and society at large.

The major objectives of DIC are to spread Design Education, thereby creating Design Culture and Design thinking and to promote innovation among the students. DIC will integrate various resources to develop a larger platform for the university and industry partnership by constructing a platform by bringing industry and university together to foster development of design innovation network that nurtures pioneering ideas and translates them into commercially viable initiatives.

Presently six major thrust areas have been identified for DIC in accordance with the industrial requirements in the surrounding region and the existing strengths and assets of the centre.

Department of Dramatics

About the Department

The Department of Dramatics was established in 1975 with a one-year part time Certificate Course. Today the Department has earned the status of one of the most exciting and innovative Drama Departments in the country. Combining the study of traditional theatre with cutting-edge performance practice, the Department aims at providing an all round development of the students. This is one of the renowned institutions of learning theatre arts in the entire country and provides an opportunity of five years training programme followed by Ph. D.

Infrastructural Facilities

For the benefit of the students, guest teachers and theatre professionals are invited to talk about theatre design, stage management, television and films. Besides its own open-air theatre on the campus, the department has access to the infrastructural facilities of the Jawahar Kala Kendra and the Ravindra Manch. Productions are not always restricted to campus venues. Students have performed in many other places around the campus and in the nearby towns as well as other metropolitan cities

Department of Drawing & Painting

About the Department

The Department of Drawing & Painting started P.G. classes in 1974.

The Department of Drawing and Painting aims to enhance the artistic aptitude and creative talent on the students and scholars in the field of Fine Arts. Special attention is given to interdisciplinary approach. The innovative ideas and research oriented aptitude are encouraged and inculcated. Department organized International and National conferences, Seminars, Refresher course and National and Regional workshops and Demonstration by the eminent artists. Other University Professors delivered lectures to train the P.G. students and Research Scholars in the new perspective of Indian Contemporary Art.

Ph.D. Programme

Thrust Areas

- ❖ Indian Traditional Schools of Painting
- ❖ Aspects of Indian Contemporary Art
- ❖ Folk Arts of India
- ❖ Aesthetics of Indian & Western Art
- ❖ Arts & Crafts of different parts of India
- ❖ Interdisciplinary approach to various arts
- ❖ Artistic study of Archaeological Remains.

Department of Music

About the Department

The Department of music was established in 1973 with vocal and Instrumental Music (Sitar) as the main subjects. Many Nationally & Internationally both acclaimed performing Artists have been part of this department and working at present.

The aim of department is to produce Professionally skilled teachers , artists , scholars and performers . To enhance the skills of Students and research scholars. The department regularly organizes the Conferences , Seminars , work-shops , Concerts and interactive sessions with eminent experts. Sometimes Lecture demonstrations are also performed by noble Laureates in the department for students' overall development .

The department also assess student' activity such as “ Sangeet Sabha “ every fortnight by the students for the students to develop their organizing skills and to motivate them to conduct event programmes.

Summer classes are also conducted for freshers to giving them a broad outlook about the subject . Teachers and Students together contribute to enhancing the cultural era of the University by participating main events like National and International Youth Festiwal , Ghoomar Youth Festiwal and foundation day etc .

Thrust Areas

- History of Indian Music (Ancient , Medieval & Modern Period)
- Institutional Music- Education
- Gharanas of Indian Music
- Spiritual Aspects of Indian Music
- Aesthetics of Indian Music
- Emerging Trends in Indian Music
- Role of Mass Media
- Folk Music , Dance and Instruments
- New Technology and Music
- Music Therapy
- Contemporary Music
- Distance Education in Music

The following Courses are running in the department:

- Ph.D. Courses
- Master's Programme
- MASTER OF PERFORMING ARTS (M.P.A.)
(Vocal -06 Seats Instrumental (Sitar) 06 Seats
Seats : 12 Duration : Four Semesters (Two Years)
- MASTER OF ARTS IN MUSIC (M.A.)
(Vocal -09 Seats Instrumental (Sitar) 09 Seats
Seats : 18 Duration : Four Semesters (Two Years)

Bachelor Level Programmes

BACHELOR OF PERFORMING ARTS (B.P.A.)

(Vocal -08 Seats Instrumental (Sitar) 08 Seats
Seats : 16 Duration : Four Years

BACHELOR OF PERFORMING ARTS

(B.P.A.) TABLA AND KATHAK DANCE (S.F.S.)

Seats : 12 (each) Duration : Four Years

These courses are designed on practical and theoretical aspects of the subject . The main motive of the department is to produce trained and skilled & trained musicologists and teachers. It aims at developing creating and innovative abilities of the students exposing them to the emerging perspective of Indian Music .

- Indian Performing Arts for International Students, to explore these meditative art forms and propagate the same in their respective nations .

Highlights & Achievements

- The Faculty of the Department includes 'A' graded Artists of All India Radio , Nationally and Internationally acclaimed performers / Musicologists / Composers and recipients of State / national & International Level Awards / Honours in all streams of Music like Sitar, Dhrupad, Khyal and Light Music.
 - Faculty members are the members of reputed Academic Bodies & Research Committees of various universities .
 - Faculty members have participated in various international / National Conferences / Seminars and Workshops etc.
 - Students, who have passed out from the Department have achieved name and fame in the field of performing art as artists (TV, Radio and Stage), Sound designer , Composer , Recordist , writer , & scholar etc .
 - Most of Teachers has been published their Books by national & International Publishers .
 - Research scholars of the subjects have availed research scholarships like JRF, SRF, Rajiv Gandhi and Departmental Scholarships for Ph.D. research work.
 - A number of students have cleared the NET/SET exam.
 - Since last three Years Department is being continuous organising Summer Classes (Workshop) for the Students of vocal , instrumental Music and Kathak Dance in the deptt for those students , who wants to opt Music as career . Dean , Faculty of Fine Arts ; Head of the Department and invited experts gives training in the workshop . The aim of the workshop is to give fundamental and Professional knowledge of the practical and theoretical aspects of the syllabus of Bachelor and Master degree .
- ### Proposed Programmes and Courses :
- To make Secure the carrier of the student of B.P.A. Kathak and Tabla Vadan (S.F.S.) the S.F.S. Course of M.P.A. (Master of performing Arts) is under process to be start in shortly .
 - Again Summer Classes (Workshop) in Summer vacation for new comer students , who want to opt Music as career .
 - Department will organize summer Hobby classes of other Musical Streams in Vocal , Instrument & Dance
 - Department will organize International , National Seminars and Workshops during the session .

Department of Visual Arts

About the Department

Department of Visual Arts started teaching the professional degree course BVA in three disciplines such as Painting Sculpture and Applied Arts in the year 1988. We have been able to orient a good number of professionals in the subject of Visual Arts, and some of our scholars have been contributing significantly to the discipline.

The faculty members have been regularly participating in National and International Exhibitions, Art, Education camps and seminars and have received various National awards. Many of them are also members of BoS bodies of various Universities. We are delighted that a number of our former students have also been appointed Head of Departments and faculties in various teaching Institutes of India and abroad.

After about 14 years of path breaking hard work by the academic community, the faculty started the Masters degree MFA under the Self Financing Scheme (SFS) in the year 2000. Our clear education vision and well defined goals are being achieved and we are confident that our reputation as an institution, dedicated, and committed to excellence is resulting in graduates showing excellent promise in Visual Arts.

The faculty today has proven its competence not only in providing the excellent education but has also grown its sphere of activity, in spite of enormous constraints. We are proud that our courses of Masters in Visual Arts have been so designed that a student is given sufficient freedom of expression. Students are allowed to innovate and explore a style of their own which we consider essential in order for our graduates to establish a distinct identity in the visual art scenario.

Department Facilities

The Department has large studios for each discipline apart from separate studios for the elective subjects such as Photography, Print Making, and ceramic.

Apart from regular studio practices, the Department holds separate workshop for the students to explore their abilities in the areas of their specialization.

The Department utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations, and Discussions organized as part of the regular curriculum activity.

From time to time the Department invites eminent people from various walks of life for the academic benefit of the students. The interaction with artists highly motivate our students..

The use of computer as an essential tool for design is no longer questioned in this Department. Modern graphic studios equipped with computers with multimedia capacities are being used by the students thus provide them a workplace of the 21st Century.

Study Tours are organized every year to the major Art centers and places relevant to the subjects. This enriches the students and helps them to have wider knowledge base.

Department of Law

About the Department

The legal studies in the University of Rajasthan was started in the year 1947, which corresponded with the foundation of the University. The Law College was first housed in the University Maharaja College, Jaipur. Later on in the month of July, 1953 it was shifted by the State Government to the University of Rajasthan.

The Department of Law started in the year 1953 and offered LL.M. course. The Diploma in Labour Law was offered in the year 1962. After a lapse of six year P.G. Diploma in Criminology and Taxation were started from the session 1967-68. The Department of Law was finally started as an independent Institute from the year 1993.

P.G. Diploma in Environmental Law has been introduced from the session 2005-2006. It is being run on a Self-Finance scheme. LL.M. in Human Rights and Value Education has also been introduced in the Department from the session 2007-08 on SFS basis.

In Addition to P.G. Courses, the Department also offers a Ph.D programme in Law. The alumni of the Department are well placed as Supreme Court / High Court Judges, Senior Advocates, Civil servants, bankers.

University R.A. Podar Institute of Management

About the Institute

University R.A. Podar Institute of Management was established in 1974 as a constituent unit of the University. It was the sixth B-School to be established in the country.

The Institute has carved out a niche for itself in the field of management education especially among the state university level B-Schools. In addition to the permanent faculty the highly experienced visiting faculty add rigor to the academic program. The curriculum is contemporary and taught through interactive pedagogies.

In addition to the M.B.A. courses the Institute also offers a Ph.D. program in Management. The alumni of the Institute is well placed in the corporate sector, civil services, banking and other financial services, management academics, business and consulting.

During the past five years the major companies which have recruited from the campus include.

- ICICI Bank; Axis Bank; IndusInd; YES Bank; AU Small Finance Bank; Bandhan Bank; HDFC Bank.
- S&P Global, Kotak Life; ICICI Prudential; Shri Ram Finance, PNB Metlife.
- Nestle, Coco-Cola, ITC, Pepsi
- Airtel; Reliance Jio; Vodafone-Idea.
- BYJU's; Just Dial; Naukari.com; 99Acres.com
- MRF; Honda
- Oracle

Commitment to excellence within the given resources is the motto of the Institute fraternity. Interactive teaching, personality development, grooming, games and sports are an integral part of the learning experience at RAPIM.

Department of Botany

About the Department

Established in 1960 at the Jaswant College, Jodhpur, the Department was shifted to Rajasthan College, Jaipur in July 1963 and to its present building in August 1974. It is one of the largest and oldest department of Botany in the country, known for its pioneering work in the fields of Mycology, Plant Pathology, Biosystematics, Morphology and Embryology. Now it has established itself as a research centre in Experimental Morphogenesis, Plant Biotechnology, Nematology, Seed Pathology, Biosystematics, Ethnobotany, Phytochemistry, Plant Ecology, Cytogenetics and Developmental Botany. The Department has 16 different laboratories where basic and applied research is conducted. The Department has received generous financial support from UGC (DRS), and DST (FIST), in addition to support from UGC, CSIR, DST, DBT, ICAR, ICMR, Rockefeller Foundation, DAAD and other funding agencies. The faculty has been awarded prestigious fellowships including Fulbright, Rockefeller, European Commission, DAAD, AV Humboldt, DANDIA, DFG, National overseas Commonwealth, INSA, etc.

Research students include NET qualified various fellowship holders, Post-Doctoral fellows, Research Associates and Women Scientist awardees.

Infrastructural Facilities

The Department has well-equipped research laboratories, growth chambers, one central instrument room, seminar hall, four teaching labs, two major and six small class rooms for elective papers, one internationally recognised herbarium containing more than 20,000 preserved specimens and a Botanical garden with many economically important species as learning resources. Department like charts, slides museum, apecueas and facilities like computers, internet & LCD for independent learning.

Botanical excursions are organized to study local flora and plant diversity of the desert and mountain ecosystems. Department has support from the forest department and students are encouraged to attend their trainings and

Department of Chemistry

About the Department

The Department of Chemistry came into existence in July 1960, thirteen years after the establishment of the University of Rajasthan, Jaipur. Ever since its inception, the Department has made all-round progress and acquired a preeminent status. With Dr.(Mrs.) Asha Jain as present Head of the Department, current faculty strength includes thirteen Associate Professors and twelve Assistant Professors.

Department offers M.Sc. in Chemistry and Ph.D. courses at campus and B.Sc. pass and honours courses at two constituent Colleges. Majority of PG students qualify NET examination and/or successfully compete in national level tests of ONGC, NTPC, UPSC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum and Pharmaceutical companies to get placements. After successful implementation of DSA-SAP program sponsored by the UGC for more than 33 years, the Department has been recognized as the centre for advanced studies in chemistry since 2005. Under CAS program a number of academic activities such as Seminars, Workshops, Conferences and Extension Lectures by Eminent scientists/Academicians are regularly organized.

The Department has been recipient of major equipment grants under FIST program of the Department of Science and Technology, Government of India and BSR grant of the UGC. PG laboratories have been renovated with modern facilities and safety equipments.

The Department has well equipped research laboratories and sophisticated instruments, viz., FTIR Spectrometer, UV-Visible Spectrometer, Electrochemical Analyzer, Semi preparative HPLC, Fluorescence

Faculty members receive financial support for research from various funding agencies of the Government of India-DST, CSIR, UGC, DAE, ICMR, etc. Interdisciplinary projects in collaborations with other disciplines are also being carried out simultaneously.

Research accomplishment of the Department in the major thrust areas are reflected by an impressive publications record and significant number of completed and ongoing projects. Most of the research work has been published in refereed journals of international repute having high impact factor. The Department is acknowledged for high quality research at National as well as international level. Faculty members present their research work in International conferences in India and abroad. Several faculty members of the Department have delivered invited lectures, earned Awards, Honors and recognition at National level.

Faculty members and research students of the Department have been continuously selected for prestigious fellowship and awards and have visited International research organizations under interdisciplinary collaboration with institutes and Universities in Germany, UK, USA, Australia and Japan etc.

The Department organizes International and National Conferences/Workshops regularly. Invited lectures of Eminent Scientists & Academicians from National and International reputed Institutes and Universities are also regularly arranged for the exposure of the research students to the current advancements in the contemporary research. The Department is also actively engaged in organizing the recharging program such as UGC-HRDC Refresher courses.

The faculties of the Department are members of important professional and academic societies. Rajasthan Chapter of prestigious CRSI, Bangalore, ISCB, Lucknow, etc also function from the Department. Various academic

Department of Geography

About the Department

The Department of Geography established in 1962 at University Rajasthan College, Jaipur for undergraduate level under Arts Faculty. Thereafter, from 1974 and 1987 undergraduate teaching began in Science faculty in University Maharaja's College and in Science/Arts Faculty at University Maharani College respectively. The Post Graduate Department was established in 1967. The faculty is also actively engaged in research programmes. The Post Graduate Department later shifted to the University campus in 2002.

Infrastructural Facilities

The Department of Geography has a well equipped Remote Sensing and Geographical Information System laboratory named as (Late) Shri Rajesh Pilot Memorial Laboratory. It has been established under the FIST program of the Department of Science & Technology, Govt. of India, New Delhi.

Edusat program is being run in the Department relayed by IIRS, Dehradun. Automatic Weather Station (AWS) has also been installed in Department since 2012.

Department of Geology

About the Department

The department was established in 1985 when post graduate teaching was initiated at the Maharaja's College Campus. The Department shifted to its own building in the University Campus in 1989. The Department runs M.Sc. and Ph.D. Programmes with an objective of:

- Creating and effectively disseminating fundamental knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms.

- Training students to take up responsibility as professional geologist in various exploration and mining organizations and to pursue a career as research scientist.
- Integrating scientific knowledge from different geosciences and allied fields for application in solving societal issues such as natural resource management, natural hazard evaluation and mitigation.
- Providing basic infra structural facilities to carry out research in specified fields. To achieve the above goals, the Department offers a very congenial atmosphere and regular student teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making students confident and self motivated to work as a team. The Department has regularly organized training programmes and special lectures to benefit both the students and the faculty.

Infrastructural Facilities:

The Department has following technical facilities to boast teaching and research:

Geochemical Lab: Double Beam Atomic Absorption Spectrophotometer (GBS); UV-VIS Spectrophotometer, Analytical Balance, Jaw Crusher, TC Ball Mill.

Petrological Lab: Petrological Microscopes, Manual thin section preparation unit,

Ore Microscopy Lab: Reflected light ore microscopes.

Palaeontology Lab: Binocular microscopes, High resolution Zoom Stereo microscopes with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

Computer and GIS Lab: Ten computers, GIS and image processing software, Satellite data and top-sheets.

Other Facilities: LCD projector, Field Camera, Survey equipment, Mirror Stereoscope, Departmental Library, etc.

Ph.D. Programme and Thrust Areas

- Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Setting, Rock Magnetism)
- Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy)
- Environmental Geology
- Hydrogeology

MASTER OF SCIENCE (GEOLOGY)

Seats: 10 Duration: Four Semesters (Two Years)

Other Highlights:

The department of Geology is unique among the PG departments of the University because the student who gets first rank in first year of M.Sc. receives a scholarship of Rs. 5000/- per month for one year. This scholarship the ONGC Scholarship is provided by the Oil and Natural Gas Corporation Ltd, under the industry- Academia interfaces. The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international, Seminars/conference. A software "Virtual Petrological Microscopes" developed by the students of our department is being used by number of Geology departments all over the country as a useful teaching aid

Department of Home Science

About the Department

The Department of Home Science is offering B.A Home Science as a subject in Faculty of Arts and as B.Sc. Home Science in Maharani's College, catering to girls only. Masters programme include post graduation in 3 subjects- Foods and Human Nutrition, Human Development and Family and in Development Communication and Extension. The courses are offered to female candidates only. The Department is also offering Certificate Course in Public Health Nutrition (SFS).

The Department is offering Ph.D. programmes in all the five disciplines, namely, Foods and Human Nutrition, Human Development and Family, Development Communication and Extension, Clothing and Textiles and Family Resource Management

The admission in M.Sc. as well as in Ph.D. programmes takes place through entrance examination conducted centrally by the University of Rajasthan, Jaipur for all the Departments.

Other Highlights

Home Science is one of the twelve Departments of the University having Special Assistance Programme (SAP-DRS-II). UN agencies like UNICEF support the Department of Home Science as one of its close and active partners to provide technical support to developmental programmes. UNICEF, Rajasthan has recognized the Department as State Centre of Excellence for Nutrition in the Year 2019-2020.

The Department has an Alumni Association which was established in the Department in 2000. The alumni have been working as dietitians, consultants and counselors in various government and non government organizations (NGOs), as teachers and entrepreneurs..

Proposed Activities for 2020-21

- Activities related to SAP, DRS-II, UGC, New Delhi.
 - ❖ Community outreach programme-Skill Development for income generation of girls at Bal Kalyan Samiti, Jaipur.
 - ❖ Short Term Course.
 - Development of skill in paper quilling for women
 - Workshop on SPSS and stata for statistical analysis.

Certificate Course In Public Health Nutrition (SFS)

1. Overview - Public health nutrition is on the application of Public Health Nutrition Sciences for formulating strategies and actions for preventing and solving the serious problem of malnutrition in our country. This course provides an integrated program covering dietary, epidemiological, public health, program planning, implementation, communication, monitoring and evaluation.

2. Objectives : This course will enable the students to :

- Gain insight into national nutritional problem, and national and international contribution towards nutrition improvement in India.
- Development of skills in organizing and evaluating nutrition projects in the community.
- To be familiar with various approaches to public health nutrition programs and policies.

3 Course Design: This six months certificate course focuses on the fundamentals of food science and nutrition, epidemiological methods of research, and community nutrition. The course will be delivered through multi-media, interactive sessions, field visits and guest lectures.

4. Eligibility Criteria: Graduates from discipline- i.e., (10+2+3) from any recognized university, from any stream with a minimum of 50% of aggregate marks. Admission will be given purely on Merit basis. The best of the percentage obtained at the last qualifying exam will be considered for admission. For more details contact the Department.

Department of Mathematics

About the Department

The University Department of Mathematics was established in August 1960 at Maharaja's College after the amalgamation of its Post-graduate wing. The Department got its permanent abode at the second floor of the Vigyan Bhawan in the University Campus in 1964. Various National and International honours have been conferred upon some faculty members of the Department. The M.Sc., M. Phil. and Pre-Ph. D. course work classes are held in the main campus and the under-graduate teaching takes place in the three constituent Colleges of the University. A good number of students of the Mathematics Department have made a mark in different walks of life e.g. Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment enabling students to meet global requirement. Prof. P.D. Verma Memorial Lecture Series, initiated in 1997, has been widely acclaimed activity in which eminent scholars of Mathematics are invited to deliver memorial lecture.

Infrastructural Facilities

The Department has four classrooms with one of them having ICT facility. The Department has its own Library with quality reference books. The Department is well equipped with two Computer Labs having robust MATLAB, MAPLE, MATHEMATICA software and high speed internet support.

The Department has received UGC DRS-II under SAP, DST sponsored FIST Programme and NBHM grant for purchase of books in the Departmental Library.

The Department has active programmes of research in a number of different areas in Mathematics. Emphasis is laid equally on Pure and Applied Mathematics. The following are thrust areas of research :

Department of Physics

About the Department

Department of Physics was established in the year 1960. The Department has been given status of "Centre for Advanced Studies" (CAS) by University Grants Commission for (2015-20). The Department offers M.Sc. (Physics) four semester program and Ph.D. program in different experimental and theoretical fields. The Department received support under FIST Phase-III Level-2 from DST, Govt. of India. The Department is also beneficiary in RUSA programme supported by MHRD to university, PURSE support granted by DST to the university and UPE status granted by UGC to the university. In addition, research groups of the Department have received financial support from several funding agencies like UGC, DEIT, DST, BRNS, DRDO, CSIR, MNES, UGCDAE CSR, IUAC and ISRO

Graduates from our department have been selected in past in prestigious scientific institutes including IPR, IUAC, BARC, NPL, TIFR, IISc, IISERs for pursuing research. Several students qualify in examinations like NET and GATE every year.

Other Highlights

Department has organized a National Conference in the area of Material Science and Technology during 2019-20. Eminent speakers from other Institutes have come to our department to deliver seminars for the benefit of students and faculty. Several of its faculty members have memberships of different prestigious organizations. They are also attending international and national conferences and delivering invited talks in these conferences.

Department of Psychology

About the Department

The Department of Psychology was established in the Year 1971. The Department is well known for its excellence in academic and research programs in various areas of Psychology. Activities of the Department have reflected a marked growth over the last few decades.

The Department has been updating curriculum that allows students to pursue the extensive breadth of psychology in terms of behavioural phenomena studied, the variety of methods and theoretical approaches employed. The curriculum also provides excellent opportunities for research experience in the form of practicum and by participation in a wide variety of research projects. Throughout the curriculum, the Department emphasizes empirical basis of interventions and assessment methods for an all-round development of the students.

Also the Department is devoted to train students to advance theory and create knowledge that helps to address the real world problems. The Department provides an internship program to bridge academic learning of theory with community application of knowledge.

Beyond the academics the Department also conducts seminars, workshops, academic field tours and talks with eminent personalities. The main objective of organizing different activities is to promote and develop the scientific outlook and professionalism in the discipline of psychology and more importantly to exchange views, experiences and mutual consultation amongst all stakeholders.

One of the most important feature of the Department is community services through its Psychological Counselling Cell. The counselling services aim at helping students reach personal, learning and career concerns and promote success and wellness. The Cell offers free counselling to students and employees of University departments as well as of constituent colleges. The Cell is well equipped with relaxation room and psychometric testing laboratory.

Department of Statistics

About the Department

The University Department of Statistics was established in 1962. Department has been shifted in the new premises i.e. Vigyan Bhawan (IInd floor). The Department is engaged in teaching U.G., P.G, M. Phil. classes and Research work. The Undergraduate courses, in Statistics Subject, are held in three constituent colleges of University of Rajasthan, Jaipur namely University Rajasthan College, University Maharaja College and University Maharani College under the faculties of Science and Arts.

A large number of students have completed their M. Phil. & awarded Ph.D. degree from the department in various areas of Statistics. The research thrust areas of the department are Design of Experiments, Statistical Inference, Distribution Theory, Applied Statistics, Statistical Computing, Sampling Theory etc.. Department of Statistics is well equipped with one computer lab and statistical software like SPSS, MINITAB and STATA.

The department has been granted a financial assistance of Rs. 47 lakhs from Department of Science and Technology under the DST-FIST Programme. Department of Statistics has also been granted a financial assistance of Rs. 57 lakhs from DST-PURSE (Phase II).

Infrastructural Facilities

1. More than 1000 books of National & International publications in the Deptt. Library.
2. Department is well equipped with 9 rooms consisting of two class-rooms, one large Computer Lab, Office rooms, Library-cum-Common room for students, Staffrooms.
3. 42 PC's & 2 Leptops with pre installed OS.
4. Following Software are available :
(i) MS Window-7 (ii) Turbo-C/ C++ (IDE version) (iii) IBM SPSS 19 (iv) STATA/SE14 (10 users) (v) MINITAB
5. INTERNET facility.

Ph.D. Programme :

Thrust Areas

- Statistical Inference
- Design of Experiments
- Distribution Theory
- Sampling Theory
- Reliability Analysis
- Medical Statistics
- Environmental Statistics
- Computer based Statistical Techniques
- Applied Statistics
- Inter Disciplinary Research

Other Highlights & Achievements

1. The subject has application in many fields such as Actuarial, Agriculture, Business, Management, Pharmaceutical & Medical sectors etc.
2. Governments jobs like Indian Statistical Services (ISS), Research officer in RBI & other UPSC, SSC, GIC, RPSC & Bank jobs.
3. National / International Research projects as Statistician/Statistical consultant after getting knowledge of Statistical Software.
4. Faculty members in different institutions.
5. More than 50 students selected in UPSC, ISS, DRDO exams during 2009 -2020.
6. 20 students selected in RPSC- Statistical Officer exams in the year 2015.
7. Some students selected as :
(i) Research officer (RBI, 2012)
(ii) Statistical Officer (PNB, 2013)
(iii) Statistical Officer (SBI, 2014)
(iv) Asstt. Manager (GIC, 2015)
(v) Associate Statisticians in R&D of Pharmaceutical Industries in 2011, 2015, 2016.

Future Plans:

1. Establishment of "Smart class room".
2. Effort will be made for "Statistical Consultancy Cell" & Campus placement.
3. To invite eminent scholars in different discipline to deliver popular lectures for the benefit of students.

Department of Zoology

About the Department

The Department was established in the year 1960 at the Jaswant College, Jodhpur. In 1963 it was shifted to the Vigyan Bhawan of the University of Rajasthan in Jaipur, and finally to its newly constructed building in October 1966.

The Department had received generous financial support from Ford Foundation (USA), Rockefeller Foundation (USA), National Institute of Health (USA) United States Department of Agriculture, PL480 (USA), UGC-ULP, DRS, COSIST, SAP, DST- FIST (Phase I). The Department was recognized as the Centre for Advanced Studies (CAS Phase-I) in Zoology in the year 2005. Recently, Department has completed CAS (Phase II) under UGC support and FIST program (Phase II) under DST support. Besides the major funding, several faculty members have received financial support from the different funding agencies like UGC, CSIR, BRNS, ICMR, DST, DBT and MHFW. Research Scholars include NET (UGC & CSIR) JRF, ICMR-JRF, DST-INSPIRE Fellows, Rajiv Gandhi Fellows, Post Doctoral Fellows, Research Associates and Women Scientist awardees.

The Department is known for its pioneering research in the fields of Radiation Biology, Reproductive Biology, Cancer Biology, Environmental Biology & Toxicology, Entomology, Microbiology and Developmental Biology. The faculty have been awarded several prestigious fellowships including DAAD, AvHumboldt, Full Bright, Smithsonian etc. The Department has been regularly organizing International & National Conferences, 'Ramaswami Memorial Lectures' and invited talks by eminent scholars in the different areas. The Department has celebrated its Golden Jubilee in the year 2010. The Alumni of this department hold various important positions in teaching, research and administrative services in India and abroad.

Infrastructural Facilities

The Department has a Central Instruments Facility available for the use by all faculty members and research scholars which includes Atomic Absorption Spectrophotometer, RT- PCR, HPLC, Autoanalyser, Fluorescent Microscope with Digital Microphotography, Refrigerated Micro-Centrifuge, ELISA Reader, Deep Freezer, Refrigerated High Speed Centrifuge, CO₂ Incubator, Blood Analyzer, Chemiluminescent Analyzer, 2 D Electrophoresis system, UV Transilluminator, Lyophiliser, Gel Doc System, Horizontal Gel Electrophoresis, Rotatory

The department also has an Animal Tissue Culture Laboratory. The Department has 18 different laboratories where basic and applied researches are being conducted. The Department has an Animal House facility which has been approved by CPCSEA.

There is a Central Computer Facility with internet connectivity, smart classroom, excellent museum with vast number of animal collection and

a rich library with a large collection of reference / text books and journals.

The Department has a large seminar hall i.e. L. S. Ramaswami Hall with the capacity of 200 persons.

Besides research and teaching the department also organizes enthusiastically many extracurricular activities for the holistic development of the students.

Centre for Computer Science & Information Technology

About the Centre

About the Centre Infrastructural Facilities The centre was reported to have started in year 1986 offering initially certificate courses in Computer Applications (Computer Languages like BASIC, C, FORTRAN, Lotus 123, Dbase etc.) at University Science and Instrumentation Centre (USIC). The Centre started one year PG DCA in 1989 & three year MCA course in 1990. The Centre shifted to its own building in 1996 and the Centre merged with USIC with the name Institute of Informatics and Instrumentation (III) in the year 2002 and the same time the Centre also started two year M.Sc. (IT) course. The Centre is renamed University Centre for Computer Science & Information Technology (UCCS & IT) in the year 2007. Presently the Centre, is running 3 years (6 semesters) MCA and 2 years(Four Semesters) M.Sc.(IT) courses under Self Financing Scheme (SFS). The Centre has earned the status one of the most exciting and innovative in the Computer Science and Information Technology in the state of Rajasthan. The students of the centre enjoy an active campus life with several invited talks, seminars and interactive sessions by Eminent Experts. A good number of students of MCA and M.Sc.(IT) have made a mark in different walks of life e.g. Government sectors, Research, Teaching, Civil Services, Defense, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement.

facilities. The Centre has 4 class rooms with LCD Projector & Internet facilities, a Seminar Hall, Reading Room, 4 Computer Laboratories with latest technologies and the students will enable to have access to international technologies as a part of their course work from several internationally reputed multinational companies and organizations during their final semester.

(i) Internet Connectivity

The Centre has Internet connectivity through the University Leased line. The entire building has CAT 5/CAT6 cabling so that the Internet can be accessed from almost any location in the building.

(ii) Computer Labs

The computer labs are well equipped with multiple number of computers which are connected through LAN and support diverse operating systems like MS DOS, Windows Vista, Windows 8.1 and Linux. The labs are equipped with wide ranging development tools and platforms such as C, C++, Visual Basic, MS Office, Visual Studio, .Net, Java, Oracle DB2, SQL Server, My SQL, Apache Tomcat, Eclipse, Dream viewer and many more. The students are allowed to work even during off hours. The high-tech laboratory having 60 Pentium i7, 30 Pentium Core 2 Du, 30 Pentium computers & 2 Servers has been established

in the centre to fulfill requirement of the courses to support latest technology and environment.

(iii) Library

The students have access to an in house library, which has more than 11500 books related to Computer Applications and Information Technology. The Centre's Library is computerized and transactions of books through computer. In addition, the students have access to on-line resources, News papers, Magazines & Journals.

2. Ph.D. Programme

Scholarship for Ph.D. Programme in Information Technology Students of this centre has been offered by the University of Wroclaw, Poland since 2007-08 for outstanding students. Collaborative website has been launched between Cornell University, New York and University of Rajasthan, Jaipur from Mar., 2009.

3. Masters' Programmes

The Centre is running a Three-Years (6-Semesters) MCA and Two-years(4-Semesters)

M.Sc.(IT) post graduate professional degree programmes. These programmes are as per recommendations of the Department of Electronics, Government of India and aim to provide the students, with necessary expertise in computer science and software development, so that they can be absorbed as System Analysts/ Information System Specialists/IT Experts etc. Admissions in the MCA & M.Sc.(IT) programmes are made through URATPG Admission Test conducted by the University of Rajasthan every year.

Centre for Development of Physics Education

About the Centre

The Centre for Development of Physics Education was established in year 1978 by University Grants Commission. This was a sequel to excellent developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the CDPE are:

- (i) Development of new Physics experiments and literature for under-graduate and post-graduate students as well as research scholars for Univ. of Rajasthan and other institutes. The Institutes such as IIT Bombay; IIT Jammu, BARC Bombay; BITS Pilani, and other prestigious institutes have been using experiments developed at CDPE and representatives from various institutes also get training in CDPE.
- (ii) Design, fabrication and supply of equipments to academic/research institutions on no-profit and no loss basis
- (iii) Providing prompt technical support to the experiments running in different laboratories of Physics Department of University of Rajasthan and also providing technical assistance to other institutions under contact programme. Many of the equipments fabricated in CDPE are a part of syllabus in under-graduate and post-graduate laboratories in this University as well as in others.
- (iv) Development of teaching aids in the form of Computer and Audio Visual Programmes
- (v) The Centre has also been regularly supporting the research groups in Department of Physics for fabrication of equipments and extending IT expertise for examination reforms and academic development.

The CDPE has developed more than 100 experiments in different areas of physics. These equipments can serve both for demonstration purpose

Director

Singhal, Rishi Kumar

as well as measurements of physical quantities. These have been supplied to many Universities and Institutions in India and abroad.

The equipments developed in CDPE are also being used in training programmes sponsored by ICTP, Italy, at the University of Dar-es-salam, Tanzania, University of Maidugur, Nigeria, and the University of Zimbabwe, Harare. The Coupled Oscillator was awarded First Prize at an International Competition.

The Centre has been supporting various research groups in Physics Department for fabrication of equipment and extending IT expertise for examination reforms and academic development.

The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India.

1. Infrastructural Facilities

The CDPE is equipped with:

- (i) Mechanical Workshop which is equipped with a Lathe Machine and a Milling Machine
- (ii) Electronic Workshop which is equipped with measuring, testing and assembling equipment for electronic circuits.
- (iii) Computer Lab equipped with five computers with online support

There is a Museum that houses equipment developed by CDPE, is a major attraction for visitors and students of Physics.

Centre for Non-Conventional Energy Resources

About the Centre

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of usable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

Infrastructural Facilities

The Centre has a research laboratory equipped with sophisticated equipments. Following are the available facilities at this centre:

1. UHV (10^{-9} Torr) E-gun evaporation technique
2. HV (10^{-9} Torr) E-gun evaporation technique
3. HV (10^{-9} Torr) Thermal evaporation technique
4. High Energy Ball Milling for nanomaterials

Indira Gandhi Centre for Human Ecology, Environmental & Population Studies

About the Department

The Indira Gandhi Centre for Human Ecology, Environmental and Population Studies was established in the year 1984. The Indira Gandhi Centre was granted the status of a Department of the University of Rajasthan on December 31, 1997. The Department, under the COSIST programme with financial and other support from the UGC, has introduced a two-year Master's degree course (M.Sc.) in Environmental Science since July 1997. One Year P.G. Diploma courses in Human Ecology, Environmental Studies and Population Studies were introduced since 1984-85.

Infrastructural Facilities

A well-equipped research laboratory with latest equipments (like UV-Spectrophotometer, Atomic Absorption Spectrophotometer, B.O.D. Incubator, Sound Level Meter, Ovens, Water Testing kits) is available in this Department. The Department has a rich library with 5000 books and subscription of several journals. There is a Computer Lab with internet facility and Wi-Fi connection in the department.

Department of Anthropology

About the Department

Anthropology is the study of man from biological and socio-cultural perspective. The unique feature of Anthropology is the method of study which involves living with the people in their natural setting. Its major areas of study are culture, biology, material remains and language, as they have originated and evolved over thousands of years of human evolution.

This single department of Anthropology teaching and research in Rajasthan was established in 1991 as a response to undertake studies to bridge the gap between perception of people and the agencies of development.

Anthropology helps in understanding the challenges faced by humanity and provides solutions to overcome them by learning from our past and "others". Anthropology has an important role in policy making for development and social justice by exploring new possibilities in a changing world. The department offers the following courses:

- I. Post Graduate

Department of History & Indian Culture

About the Department

The Department of History & Indian Culture is one of the oldest Departments in the University of Rajasthan founded in 1950 under the headship of Prof. M.L. Sharma. Renowned historian Prof. G.C. Pande joined the Department in 1962 as Tagore Professor of History and Indian Culture. Under his learned and charismatic leadership, the Department gradually acquired a distinctive character with great emphasis on the Study of Ideas and Movements in History. The Department acquired its present form as the Department of History and Indian Culture in 1962.

The Department has had the honour of having eminent scholars like Prof. Mathura Lal Sharma, Prof. G.C. Pande, Prof. Satish Chandra, Prof. G.N. Sharma, Prof. Devendra Kaushik, Prof. M.S. Jain, Prof. R. Nath, Prof. V.S. Bhatnagar and others as teaching faculty. The faculty members of the Department have made significant contribution to historical research in their respective specialisations.

The Department offers graduate, post-graduate, M.Phil and Ph.D courses. Over the years new papers in the syllabi of the students have been added to enrich and contemporise the syllabi. Besides, the Department also runs a course of P.G. Diploma in Indian Culture.

Infrastructural Facilities

The Department is equipped with the Departmental Library known as Raghuvamshi Memorial Library having nearly 4000 books. In addition, the Department also possesses Professor M.S. Collection of nearly 1000 books. There is a Museum in the Department with various antiquities and artefacts along with required paraphernalia for archaeological studies.

Department of Public Administration

About the Department

Public Administration as a discipline began its journey in association with economics at the University of Rajasthan. It was in 1957, Department of Economics and Public Administration was launched in the university. In the year 1965, an independent Department of Public Administration was established by carving out from the economics discipline in the school of social sciences. Since its inception, the department in the University of Rajasthan has significant faculty strength and better infrastructure facilities. Rich in academic potential, the department was sanctioned Special Assistance Programme (SAP) by University Grants Commission in 2008.

Significant academic contribution by our faculty has brought rewards in achieving Fulbright, Indo-Canada Shastri and Commonwealth Fellowships. It is a matter of pride that the faculty of the department was awarded a patent for the concept of Governometrics. Within the organisation, to promote democratic leadership, the department takes the distinction of sending our faculty as an elected member-syndicate, which is the highest decision making body of the university.

Commemorating the Golden Jubilee year of its establishment during academic session 2015-16, the department organized lecture series delivered by distinguished academicians, scholars and administrators. During this session, a syllabi review workshop was conducted to review the curriculum. Notable academic scholars attended and added valuable inputs to our educational programme. Golden Jubilee year took initiative to inculcate competitive spirit among the students by conducting debates on socially relevant topics, essay competition and extra-curricular activities. The department also hosted two International seminars in the year 2017 and 2018 attended by scholars from within and abroad.

Several of our students attained dizzy heights by becoming academicians, administrators and researchers, bringing laurels to the department. A few of them were associated to build their career in politics investing faith in democratic mechanism. The Department is running M.A., M.Phil and Ph.D. Programmes.

Centre for Museology and Conservation

About the Centre

Centre for Museology & Conservation, University of Rajasthan, Jaipur (CMC-UOR) was established in July, 2006 with a view to promote studies on museology and generate awareness about the conservation of museum objects. Museology as a discipline explores the history of museums and their role in society, as well as the activities they engage in, including curating, preservation, public programming, and education.

New perspectives of museology are emerging as a way to revitalise the educational role of museums. The inherent trend of New Museology is that it involves some form of radical reassessment of the roles of museums within society. A discourse of critical museology also emerged, intensifying around the turn of the 21st century. Critical museology extend its fold beyond the traditional museum to include cultural centres, heritage sites, memorials, art galleries, etc. In the context of India and other colonial countries, critical museology also attempts to address the problematic colonial pasts of museums through the decolonization and indigenization of museums.

The latest movements in museology tend to focus on museums being interdisciplinary, multi-vocal, accessible, and open to criticism. While these critical discourses dominate contemporary museology, there are many different kinds of museums that exist today, some of which are engaged in new and innovative practices, and others that are more traditional and less critical.

Centre for Museology & Conservation, University of Rajasthan, Jaipur runs an innovatively designed post-graduate course - M.A. in Museology and Conservation, a four semester course with a duration of two years. The centre is first of its kind in Rajasthan to have a conservation laboratory of its own. The centre has witnessed a remarkable growth during the last decade. It has organised a series of lectures, workshops, and seminars by inviting renowned experts from India and abroad. The centre has also brought out some important publications and has worked in collaboration with external bodies like INTACH, ASI, IGNC, NMI & University of Leicester, UK. The Centre also possesses a library.

The Centre also runs a Ph.D. programme in Museology and Conservation under supervision of teachers in the subject of history.

The Centre for Museology and Conservation is steadfastly committed to enriching its quality of education and to achieve internationalization of Higher Education. In pursuance of these goals, the Centre organized a special lecture and symposium on the topic "Comparative Perspective of Megalithic Structures of India and Europe and its Linkages with Vedic-Puranic Religion" on November 30th 2018. Professor Serge Le Guirriec, an expert archaeologist from France, delivered the lecture.

The Centre also organized an international conference on the theme, "New Trends in Museological and Historical Research" on February 15th-16th, 2019. The keynote address of the conference was delivered by Dr. James H. Barrett, Associate Professor, Department of Archaeology, University of Cambridge, United Kingdom. Dr. Barrett is an expert in Glacial Archaeology and Environmental History. The conference saw active participation from illustrious institutions such as National Museum, New Delhi, National Museum Institute, New Delhi, Archaeological Survey of India, Department of Museums and Heritage, Government of Rajasthan, City Palace Museum, Jaipur, City Palace Museum, Udaipur to name a few. 278 delegates registered for the conference and the paper presentations were spread over 5 technical sessions in parallel venues.

INTRODUCTION

Recognised by the Bar Council of India, the University Law College is a constituent college of the University of Rajasthan and one of the oldest law- schools in India imparting legal education. The Law College, as it was originally called, was established in Jaipur by the government of the erstwhile State of Jaipur in 1947, that is the year corresponding with the foundation of the University of Rajasthan. It was housed, first in the building now known as the University Maharaja's College and had 306 students, a full time principal, one Reader, three Part-time teachers, In the beginning, only a two-year LL.B. Course was started from 1947 to 1952 and the Law College was affiliated to the University of Rajasthan. On July 1, 1953, the College was transferred by the State Government to the University of Rajasthan.

The foundation stone of a separate Vidhi Bhawan was laid by Shri Barkatullah Khan, the then Chief Minister of Rajasthan, On Friday, 22nd December 1972. Teaching began in this building from the session 1975-76. During the session 1993-94, the College was declared by the UGC as a Constituent College of the University of Rajasthan, Jaipur.

INTRODUCTION

University Maharaja College, one of the oldest and most reputed colleges of India, was established in the year 1844 by Sawai Ram Singh as Maharaja's School, at that time located at Manak Chowk close to Hawamahal with about 40 students to impart education mainly in Hindi, Persian, English, Sanskrit and Urdu. In 1873, the College was upgraded to intermediate level and got affiliated to Calcutta University. Later in 1890, it was affiliated to Allahabad University for Bachelor of Arts (B.A.) degree and subsequently raised to post graduate status in 1896. In 1897, Bachelor of Science (B.Sc.) all major subjects and M.A. in English were also introduced. History, Philosophy and Mathematics were introduced at Post Graduate level in 1927. In 1933 The College was shifted to the present building which was constructed at a cost of Rs. 8.5 Lakhs at that time. Commerce was introduced in the curriculum in 1940 and Faculty of Law was set up in 1947. Before the establishment of University Maharani College in 1944, the college was imparting education to both boys and girls. The College became a constituent college of the University of Rajasthan in 1962 and since then it is offering under-graduate science courses to boys. This year college is celebrating 175th year of its establishment. Several programmes were organised by college on this occasion including environmental awareness rally on 12th October 2019.

The College was granted status of "College with Potential for Excellence (CPE)" by the UGC in 2011 and the status of "Star College" by the Department of Biotechnology, Govt. of India in the year 2016. The College campus has a total land area of 19.47 acres with built-in area of 1,20,000 square feet. The college has Heritage building with huge lush green sports ground. The IT building spread over 5000 square feet area has also been constructed in the college premises. College has well equipped modern science and computer labs with total area of nearly 65,000 square feet. Many of these labs have been recently renovated under RUSA program.

Apart from imparting education in B.Sc. Pass and Honours courses, the college also offers self-finance BCA course. More than 2600 students are getting education in this college. The College campus has its own boys hostel with a capacity of nearly 200 students. College library houses more than 1 lakh books and magazines. The books have been updated on digital library automation software IMS and the students are able to get the books issued through online registered accounts. Sports facilities available in college include three Volleyball courts, two Tennis Courts and one Basketball Court. Gymnasium and facilities for indoor sports are also available in the college for students. Sport ground of college has witnessed several Ranji Trophy Cricket matches in past.

All-round development of students is ensured by organizing talks of eminent Guest Speakers, seminars, Career counseling sessions, poster making competitions, annual quiz and cultural events throughout the year. During past years, several placement camps have been organized by national and multinational companies for the students in College campus.

Three units of NCC (1 Raj BN, 7 Raj(I) Coy, 3 Raj NAVAL) are functioning in the college. Almost every year,

UGC. Under this scheme, the college has been provided with funds to conduct advance level short/long term courses/workshops/seminars etc in various aspects related to Computer Application, Geography, Business Administration, Fine Arts, Home Science, Animal Physiology, Zoology, Vocal & Instrumental Music, Yoga and Stress Management, Meditation, Techniques of Language Learning, Training in Soft Skills and Personality Development and many other areas. Under this programme many Workshops, Seminars and Lectures have been organized for the benefit of the students. These courses are specially designed for equipping our students with necessary skills to compete and excel on global level.

The college has become one of the most coveted institutions for girl students desirous to attain quality education, thanks to its highly qualified, dedicated and devoted faculty. Besides facilitating students for achieving academic excellence, the college focuses on over all grooming of students and provides them ample opportunity for participating and excelling in co-curricular activities such as N.C.C., N.S.S., debates, drama, dance, music (Vocal and Instrumental), essay writing and poetry, drawing and painting throughout the year.

The college organizes annual prize distribution to motivate the students to excel both in academics and co-curricular activities. 64 Gold medals, 50 Cups and trophies are awarded every year to students excelling in academic merit and extraordinary performance in social service, sports, NCC, NSS and other co-curricular activities.

OTHER FACILITIES

Co-curricular Activities:

In order to ensure all-round development of students, the college organizes seminars, cultural programmes, competitions and excursions every year. NSS and N.C.C. (Air Wing, Navy Wing and Army Wing) programmes as well as Sports and Games for students are a regular feature of the college.

Students hone their talent through various activity clubs. There are 7 activity clubs like Dance society (Nartana), Dramatics society (Rangsheel), Photography society (Oh! Snap), Music society (Naad), Fine Arts society (Art attackers), Hindi Literature (Tehreer), English Literature (Eclectics) in the college which are run by the students only. In order to hone the organizational skills, develop leadership qualities and inculcate the spirit of team

work, the students are encouraged to organize the annual youth fest- Veethika under the guidance of teachers. During this fest, the students of not only Maharani College but also from other colleges participate and get an opportunity to showcase their talent in cultural and academic activities. A college exhibition called Synergia is also held every year to help students translate abstract ideas into concrete form.

Library:

The college has a rich, well equipped library consisting of more than one lakh books, Encyclopedias, and latest publications, journals, CDs, VCDs etc. which are available to all the students. The College also runs a Book Bank for providing books on loan for needy students. The graduating students are encouraged to donate books for the book bank.

Laboratories:

The college has laboratories with all modern equipments and latest facilities for experimentation for Life Sciences, Chemistry, Computers, Drawing and Painting, Home Science, Physics, Psychology, Statistics and Geography.

Counseling Cell:

A counseling cell has been set up to provide counseling services to college students to help them to deal with emotional and social problems and also to ensure healthy personality development

Canteen:

Canteen is a very popular corner for students serving delicious and hygienic and wholesome food.

Campus

The college is housed in a huge campus. Facilities for both indoor and outdoor games are available in the campus. There is a badminton court, basketball court, cricket field, volley ball court in the college. The college has lush green lawns with ample plantation in the campus. On the occasion of Foundation day of the college, faculty and students undertake plantation drive every year.

Auditorium:

Savitri Bhartiya Hall is a grand auditorium that has hosted a large number of memorable functions over the

years and is yet to witness many more to come.

Hostel:

There are two hostels, Annie Besant hostel and Mother Teresa hostel within the college campus that strive to provide comfortable accommodation for students. Admission in the hostels is given on merit basis. Two more hostels have been constructed under MADA and will be available for housing students in the new academic session.

A college which began with only 11 students and 3 teachers has now grown into one of the most popular and a populous institute with around seven thousand registered students, 185 faculty members and 65 Supporting staff. It has become a 'guild of quality' and a family of 'intelligentsia'.

Candidates seeking admission to the college are welcome. They have to apply separately for the four streams-Science, Arts, Commerce and Home Science offered by the college. They are required to fill up separate application forms for the Honours and Pass courses respectively with subject combinations and code numbers. Students are also required to fill up separate application forms for each Honours subject they are seeking admission to.

परिचय

राजस्थान विश्वविद्यालय प्रांगण के दक्षिण में जवाहर लाल नेहरू मार्ग पर स्थित विश्वविद्यालय राजस्थान महाविद्यालय का गौरवमयी इतिहास रहा है। राजस्थान सरकार ने वर्ष 1957 में इसकी स्थापना राजकीय महाविद्यालय के रूप में इस उद्देश्य से की थी कि राज्य व केन्द्र सरकार में उच्च प्रशासनिक पदों पर चयन के लिये मेधावी छात्रों को उच्च स्तरीय अध्यापन व मार्गदर्शन प्रदान किया जा सके। वर्ष 1962 में इस महाविद्यालय को राजस्थान विश्वविद्यालय का संघटक महाविद्यालय बनाया गया। 1969-76 के मध्य यह महाविद्यालय 'कॉलेज ऑफ आर्ट्स' के नाम से जाना जाता था। वर्ष 1976 से यह विश्वविद्यालय राजस्थान कॉलेज के नाम से संचालित है। वर्ष 2010 से विश्वविद्यालय अनुदान आयोग ने इस महाविद्यालय को 'कॉलेज विद् पोटेन्शियल फॉर एक्सीलेंस' (CPE) की मान्यता प्रदान की है।

महाविद्यालय में स्नातक कला संकाय में पास कोर्स व ऑनर्स पाठ्यक्रमों के अध्यापन की व्यवस्था उपलब्ध है। महाविद्यालय में राष्ट्रीय सेवा योजना की 8 इकाइयाँ तथा एन.सी.सी. की 5 इकाइयाँ कार्यरत हैं। महाविद्यालय के सेवाभावी छात्र प्रतिवर्ष नियमित रूप से रक्तदान करते हैं। विद्यार्थियों के सर्वांगीण विकास को सुनिश्चित करने के लिए महाविद्यालय में समय-समय पर सांस्कृतिक गतिविधियों, वाद-विवाद, किंवदंती एवं खेल प्रतियोगिताओं का आयोजन किया जाता है। विद्यार्थियों के बौद्धिक परिष्कार हेतु राष्ट्रीय एवं क्षेत्रीय स्तर की संगोष्ठियाँ, कार्यशालाएँ एवं व्याख्यानमालाओं का आयोजन किया जाता है। महाविद्यालय में समृद्ध पुस्तकालय उपलब्ध है, जिसमें एक लाख से अधिक पुस्तकें हैं।

B.A. (Bachelor of Arts)-Self-Financing Scheme (Evening College)**Seats: 480**

महाविद्यालय में प्रवेश हेतु इच्छुक छात्रों की बढ़ती हुई संख्या एवं सीमित स्थानों को देखते हुए स्ववित्त पोषित पाठ्यक्रम योजना वर्ष 1995 से प्रारम्भ की गई है। इन पाठ्यक्रमों का अध्यापन अपराह्न (Evening shift) में महाविद्यालय परिसर में सम्पन्न किया जाता है। इसमें प्रवेश लेने वाले छात्रों को नियमित छात्रों के रूप में सुविधाएँ दिये जाने का प्रावधान है। इस पाठ्यक्रम में छात्रों की प्रवेश-पात्रता एवं विषय-संयोजन

पूर्व वर्णितानुसार है जो कला स्नातक के लिए पूर्व में दिया गया है। इस योजना के अन्तर्गत किसी भी विषय में अध्यापन उसी स्थिति में किया जाता है जबकि उस विषय में कम से कम 15 छात्रों ने प्रवेश लिया हो। महाविद्यालय में स्ववित्त पोषित पारी (Evening shift) में किसी भी विषय में विद्यार्थियों को उसी स्थिति में प्रवेश दिया जाएगा, जब प्रातःकालीन पारी (Day shift) में उस विषय के लिए निर्धारित सीटों पर प्रवेश पूर्ण हो जाएगा।

नोट:- विश्वविद्यालय राजस्थान महाविद्यालय में प्रातःकालीन एवं सायंकालीन (स्ववित्तपोषित) बी.ए. पाठ्यक्रम में प्रवेश हेतु एक ही आवेदन पत्र भरने की आवश्यकता है। ऑनर्स पाठ्यक्रम में प्रवेश हेतु पृथक् से आवेदन भरना आवश्यक है।

UNIVERSITY CENTRAL LIBRARY

The Central Library building is located near the main gate of the University. It has a sitting capacity of about 750 students. It has collection of more than 5 lac books, bound periodicals, etc. The Library subscribes to a plethora of current journals in physical form relating to various subjects. In addition, about 12500+ e-journals are available for online access under e-Shodh Sindhu Consortium. RFID system has been installed for in house operations of the Central Library.

A new building of the University Central Library has been constructed with a financial assistance of nearly 12 crore rupees from UGC under UPE grant. This building will be soon made operational.

In addition to book lending, the Library provides the following services:

- ★ Reference Service
- ★ Reprographic service
- ★ E-journals on-line accessibility
- ★ Internet and e-mail facility
- ★ CD ROM Database Search services offline
- ★ Research Reference Guidance Service
- ★ Braille Section for visually impaired persons
- ★ OPAC service
- ★ RFID facility

The books of library are classified in different categories, such as general books, text books, reference books, theses, reports. The periodicals are segregated into two groups: pre-1975 and the rest.

THE ABU COLLECTION:

The library has a rich collection of old documents, including the collection of erstwhile British Resident at Mount Abu, which is popularly known as 'The Abu Collection'. This includes Government reports, gazetteers, and other publications dating back to early 19th Century. These are of enormous value for historians, economists and sociologists and researchers of allied disciplines.

ABU collection is now available on Digital India in digitalised format.

UNIVERSITY HOSTELS

The University and its Constituent Colleges have well furnished hostel accommodation for the students. Hostels are earmarked for particular courses/streams or college campuses. The University is at present running 19 Hostels, out of which 14 are in the Main Campus and rest are situated in the Constituent Colleges.

Every Hostel has its own unique tradition. Youth festival is organised in each hostel every year. This festival leaves a memorable imprint on hostel inmates. An inter hostel Youth Festival, 'Basant' is also organised so as to provide common competitive platform for the manifestation of cultural talents of the hostel inmates.

Note : Only those students who are admitted in the

University department/institute / college will be eligible for admission to the University Hostel. If any student fails at the main examination or does not appear in the examination / Compartment / Back / Due, even in compulsory subject then he/she will not be eligible for admission/ readmission in the hostel. Forms for admission the Univ. hostels will be filled online and hard copy of there forms are to be deposited in the chief wardens office. It must be noted that students who are pursuing SFS courses can be considered for Hostel admission if the seats are vacant in the respective Hostel. Hard copy of filled Hostel form will be submitted to respective Head / Principal/ Director of Department/ College / Institute and Centre.

RAJASTHAN UNIVERSITY NETWORK (RUN)

RAJASTHAN UNIVERSITY NETWORK

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The core switch [Cisco 6513] is located in the Infonet Center. The Zonal switch [Cisco 4507] is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line.

The buildings of the University main campus are connected to Core/Zonal Switch through Optical Fiber Backbone. Layer 3 Managed switch are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable.

NATIONAL KNOWLEDGE NETWORK

The NKN comprises of an ultra-high speed CORE (multiples of 10 Gbps), complimented with a distribution layer at appropriate speeds. Participating institutions at the Edge will connect to the National Knowledge Network seamlessly at speeds of 1 Gbps or higher. The network is designed to support Overlay Networks, Dedicated Networks, and Virtual Networks. Advanced applications in areas such as Health, Education, Science & Technology, Grid Computing, Bio informatics, Agriculture, and Governance will be an

Director

Dr. Pankaj Nagar

integral part of NKN. The entire network will seamlessly integrate with the global scientific community at multiple gigabits per second speed. The purpose of such a knowledge network goes to the very core of the country's quest to build quality institutions with requisite research facilities and create a pool of highly trained persons. The NKN while impacting the existing academic and student community will also alter the R&D landscape for future generations.

The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN is providing 1 Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, COAC, IMT, VECC, Institute of Mathematical Sciences and other premier institutions. Access of any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. University is complying with IP Usage policy, Operations policy and Security policy of NKN.

The purpose for usage of NKN network a) higher knowledge/advanced studies b) regular studies c) research development. The average usage level in a month and in a year in term of Gbps/Mbps is as 50 Gbps and 1000 Mbps. The NKN connectivity is available on 24x7 basis without any restrictions and all the telecommunications are sufficiently reliable.

OPEN SOURCE INITIATIVE

The University subscribes to the philosophy of Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql/Perl/PHP (LAMP) platform is employed for all applications

INFONET CENTRE

The technical responsibilities assigned to the Centre are (i) to coordinate all activities pertaining to UGC Infonet project at the University end, (ii) to technically maintain access to e-journals available under Infonet project or subscribed by the University Central Library, (iii) to maintain University Websites, (iv) to maintain University Mail Server, (v) to maintain University Result Server, (vi) to maintain University Research Server, (vii) to maintain the Open Archive Repository, (viii) to manage hosting of e-content on University Server and promote e-content development, (ix) to maintain Rajasthan University Network and coordinate with the NKN

UNIVERSITY WEBSITE

Almost all syllabi are available through the link - Syllabi on the main page of <http://www.uniraj.ac.in> University prospectus and information about University, Jaipur and Rajasthan are available at a click. Several university circulars, advertisements, tender notices are made available through respective pages on Administration tab. Each PG Department has its own page. Contact details of all members of the Syndicate, Senate, Academic Council, and all faculty members are made available. E-journal access is made easy through e-journal access page.

E-contents developed by some faculty members can be accessed. The main page also provides a link to other servers viz. daak server, result server, research server and earxiv server. Students may ask the faculty members about online resources provided by them on the University website.

University website was also integrated to integrated portal on higher education website of Rajasthan State

EXAMINATION TIME-TABLE ON WEBSITE

Examination time-table would also be made available on the university website.

CURRENT STUDENTS TAB ON UNIVERSITY WEBSITE

Students can access information relevant to them through the "Current Students" tab available on the main page

University Result Server

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on Fedora linux platform using PHP as front-end interface and MySQL database at back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section

UNIVERSITY RESEARCH SERVER

With the view that ongoing research efforts at the University of Rajasthan are not duplicated elsewhere, the Chancellor directed the University to make available all information about ongoing research work of Ph.D. students on the University website. The University of Rajasthan launched the Research Server providing all the necessary information about the research topic including the synopsis in PDF format. Online Comment Submission Form is included using which any interest user can make comments on the ongoing research work. Comments so submitted are forwarded by e-mails to the student, supervisor and Deputy Registrar, (Research) for necessary action. This ensures transparency and accountability

UNIVERSITY OPEN ARCHIVE REPOSITORY

The University of Rajasthan has set up an Open Archive Repository where every researcher shall deposit a copy of his/her publications or presentation so that it can be easily accessed through internet. The University Open Archive Repository with URL <http://earxiv.uniraj.ac.in> was launched by the Secretary, UGC, New Delhi. The online submission facility is available on NIS authentication. University will also be launching online notice and news and views services too.

BLADE SERVER AND SAN SOLUTION

University has acquired new Blade Server and SAN solution because of the following reasons:

The demand for greater data centre capacity in further and higher education is rising rapidly, for reasons which include:

1. The growing use of internet media and online learning, and demands for faster connectivity from users.
2. A move to web based interfaces which are more compute intensive to deliver.
3. Introduction of comprehensive enterprise resource planning (ERP) software solutions which are much more compute intensive than earlier software;
4. Increasing requirements for comprehensive business continuity and disaster recovery arrangements which results in duplication of facilities;
5. Increasing digitization of data; and

University Science Instrumentation Centre (USIC)

University Science and Instrumentation Centre (USIC) has been set up to support instrumentation facility with the following major objective: To house high-end research instruments and provide instrumentation facility on specialized instruments to the internal and external faculty/scholars/students as a central facility for carrying out spectral, thermal, chemical and micro-structural analysis on a variety of materials.

The Centre has endowed with advanced instruments as central facility like: SQUID, SEM, TEM etc. catering to the need of University Science Departments for research. Besides the above facilities, mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling are also available to those trained in and can do on their own.

Instrumentation Facilities

The USIC caters to instrumentation related needs of the Science Departments. For maintenance of equipment, it has electronics, glass blowing, refrigeration section and Mechanical workshops. The available facilities of this centre are being used by faculty members and research scholars of different research institutions. Centre has the following Major Sophisticated equipments:-

University Health Centre

The University Campus has dispensaries and health set-up of Allopathic, Ayurvedic, Homeopathy, Essential Medicines are provided free of cost Medical health check-up camps, both routine and specialized (ECC, B.P. Blood Sugar, Bone Mass Density, Pulmonary Function tests, Diabetics, HBA1c, Uric acid, Thyroid Function, Liquid profile tests, Neuropathy detection etc. are organized from time to time. The Health centre is providing Curative, Comprehensive, Preventive counselling, Rehabilitative and Nutritive & Psychological counselling services (Every Saturday) to the students, teachers, employees and their dependents.

6. Rapidly expanding data storage requirements.

Blade servers pack more computing power into a smaller physical footprint. Going a step beyond rack servers, blade systems offer the Educational institutions have some characteristics in attitude that result in special requirements for the underlying technical infrastructure used for the education process. Those requirements are quite different from those of operational businesses: Unlike enterprise systems used in their intended context within companies, educationally dedicated systems have to bear the peculiarity of the educators' usage patterns. There are three main characteristics that can be identified: long-term discontinuity, short-term discontinuity and atypical workload.

For infrastructures with multiple backup solutions, SAN allows for the consolidation of your backup and recovery process to one centrally managed software package. SAN provides the ability to backup files, physical servers, and virtual servers, among other key business applications like SQL. Not only did this prove to be an overhead cost on training of IT staff, but complicated their backup and recovery process.

Students' Advisory Bureau

Student Advisory Bureau, established in the year 1962, aims to provide information on courses and combinations available in different Universities and Institutions of India and abroad. We enhance the reach and scope of available opportunities for the students and prepare them for future challenges. The Bureau helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities vis-à-vis the realities and job profiles, in the context of highly competitive occupational patterns. There is a vast gap between perception about the market demands and individual expectations. We bridge Students' Advisory

Director

Dr. Deepak Saxena

Bureau them through psychological and confidence-building measures. The Bureau supports the students in the development of soft skills and develops the ability to challenge the rigors of competitive tests and on job training. It is a centre of information, guidance and counseling with free accessibility and internet based global connectivity for exchange of information on professional placements.

UGC-Human Resource Development Centre

The UGC Human Resource Development Centre (known as Academic Staff College, prior to April 1, 2015) of the University of Rajasthan, Jaipur was established on 11th May, 1988 under UGC's scheme of setting up Academic Staff Colleges (ASCs) in suitable universities in India, in the wake of National Policy on Education (NPE) 1986 which emphasized the crucial link between teacher motivation and the quality of education.

On the initiative of the MHRD, in 2012, the NAAC peer review committee had visited our HRDC for its accreditation. It was ranked as the second best performer amongst 66 HRDCs in India.

The Human Resource Development Centre conducts Orientation Programmes (for newly-appointed teachers); Refresher Courses (for in-service teachers); Short Term Courses (on themes of multidisciplinary significance) Summer/Winter Schools (on a specific/thrust area, open for all teachers); and Special Programmes (like Academic Administrators' Workshops; Principals' Meet; Interaction Programmes for Ph.D. Scholars; Non-Teaching Staff Training Programmes etc.).

Since its inception (upto 31st March, 2020) the HRDC, University of Rajasthan has organized 113 Orientation Programmes, 355 Refresher Courses, 26 Short Term Courses, 3 Summer Schools, 1 Winter School and a number of Special Programmes including 1 Principal's Meet, 1 Academic Administrator's Workshop, 1 Workshop on Examination Work for newly established Universities in Rajasthan, and an Interaction Programme for Ph. D Scholars. In all, 17882 (10907 Male and 6975 Female) teacher participants have benefitted from the various courses organized under the auspices of HRDC, University of Rajasthan.

During the financial year 2019-20, (upto 31st March, 2020) the HRDC successfully organized 11 courses. This session was marked with 04 Orientation Programmes, 06 Refresher Courses and 1 Short Term Course. In all, 434 teachers participated in the above courses (243 Male and 191 Female).

The Refresher Courses and Short Term Courses conceptualized by the faculty and subsequently approved by the UGC for the session 2019-20 were unique and innovatively designed e.g. Refresher Course in Advancements in science & Technology (Inter Disciplinary), Comparative Literature and Culture Studies, Social Sciences, Higher Education: Issues & Challenges (Multi Disciplinary), Gender Studies (Multi Disciplinary), Life Sciences (Inter Disciplinary). Short Term Course in Workshop on MOOCs, e-content Development and Open Educational Resources.

Our HRDC is the hub of academic activities of the city. Among the resource persons are eminent educationists, academicians, scientists, jurists, artists, literary personages, social activists, journalists, critics and other

Director

Prof. V. V. Singh

Dy. Director

Dr. Meeta Mathur

Assistant Director

Dr. Vishva Chaudhary

persons specialised in their fields.

Besides Rajasthan, our HRDC has drawn candidates from various other states like Harayana, Delhi, Chandigarh, Punjab, Uttar Pradesh, Uttarakhand, Himachal Pradesh, J & K, Madhya Pradesh, Gujarat, Maharastra, Goa, Daman & Diu, Dadar Nagar & Havelli, Karnataka, Kerala, Tamilnadu, Pudduchery, Andhra Pradesh, Chhatisgarh, Orissa, West Bengal, Bihar, Sikkim, Assam, Andaman & Nicobar, Mizoram, Nagaland etc.

Our HRDC has 2 AC Seminar Halls well-equipped with Digital Podium and WIFI High Definition Projector with motorized screen audio-visual aids, and a state-of-the-art Computer Lab with latest version Computers, fully covered with CCT Camera system. The HRDC computer lab, office as well as the library, has internet connectivity with 100 mbps and WIFI, available through INFONET.

The HRDC Library, with computerised catalogue facility, has a rich collection of 5620 books, with a stream of regularly subscribed newspapers, magazines and reputed journals. The HRDC has its own Guest House with well furnished double-bedded 32 Rooms and other basic facilities for the comfortable stay of the participants alongwith One common room for recreation of participants. The Human Resource Development Centre is located on the first floor of the Vice-Chancellor's Secretariat in the university campus and its Guest House is situated behind B-1 premises in the campus, near Gandhi circle.

The HRDC's main philosophy is holistic development of the teachers. The concept of an orientation/refresher programme emphasizes teachers as agents of socio-economic change and national development and underlines the need to make them skill-oriented teachers. The programmes of HRDC aim at enabling teachers to discover themselves and their potential through a positive appreciation of their role in the total social, intellectual and moral universe within which they function. It is now accepted that a teacher must not be confined only to transmitting information; he/she must also orient students to meet the challenges of life, to become not merely a trained professional, but also a better citizen.

From an elitist approach in the beginning, our system of higher education has now become mass based. This places greater responsibilities on teachers. New methods of teaching and educational technology along

with developments in Information Technology have made the job of a teacher more demanding. These subjects form an essential component of the programmes run by HRDC. Especially designed orientation programmes/ refresher courses in IT and pedagogy are run by HRDC almost every year. Furthermore, there has been knowledge explosion in every discipline. A college/university teacher has to continuously update his/her chosen field of expertise, or run the risk of becoming totally outdated in a very short period of time. Subject-specific refresher courses are organised by HRDC to update the knowledge of the teachers in related subjects. It is also envisaged that the programmes run by HRDC must engender in the teachers awareness of the problems that Indian society faces. Matters relating to subject-knowledge and pedagogy would be meaningful when understood in the total context of national development.

The Schedule for Orientation Programmes, Refresher Courses and Short Term Courses for the year 2019-20 sanctioned by the UGC is enclosed.

The Schedule for Induction Programmes for newly selected teachers for the year 2019-20 sanctioned by the RUSA, Govt. of Rajasthan is also enclosed. 05 Induction Programmes upto 31st March, 2020 have been conducted. In all, 180 teachers participated in the above programmes (115 Male and 65 Female).

The construction work of Academic & Administrative Building consisting of two big seminar halls, one library, 5 office rooms, reception facilities at B-1 Banglow has been started out of the grant of 7 crore under RUSA scheme. Besides the construction work of one big dining hall, kitchen and reception facilities has also been started with existing HRDC Guest House under the said scheme. The construction work is expected to be completed upto July, 2020.

College Development Council (CDC)

The CDC was established by the University in the year 1978 under the UGC scheme for ensuring:-

- (i) Proper planning and integrated development of its affiliated and constituent Colleges. (Govt., Non-Govt. & Constituent Colleges).
- (ii) Improvement of Standard of Higher Education.
- (iii) Faculty Improvement.

To achieve its aims and objects, the CDC on behalf of UGC invites proposals from the Colleges included under sections 2(f) and 12-B of the UGC Act, 1956 on various schemes from time to time and recommends to the UGC for approval. At present 83 Colleges affiliated to University of Rajasthan, Jaipur have been recognized by the UGC are under section 2(f) & 12-B and 27 Colleges also recognized under section 2(f). Among these Colleges 04 College have CPE status and 02 College have Autonomous Status.

UGC provides financial assistance in millions of rupees to the Colleges under various schemes:

Coordinator

Dr. Abha Jain Nagawat

1. Development for the Colleges:-

- i. For construction of Academic buildings and other construction/ renovation work of existing building.
- ii. For purchase of Books & Journals
- iii. For purchase of Equipments
- iv. For Colleges with Potential for Excellence (CPE)
- v. For Construction of Women Hostels in Colleges
- vi. For Golden Jubilee / Centenary celebration grant to College
- vii. For Additional Grant as per UGC guidelines
- viii. For Rejuvenation of Infrastructure in Old College
- ix. For 'Catch-up' grant for Young Colleges
- x. For Colleges located in Rural/Remote/ Border/Hill/Tribal Areas

- xi. For Colleges with relatively higher proportion of SC/ST & Minorities
 - xii. For Special grant for Enhancement of Intake Capacity in Colleges (initiative for capacity building)
 - xiii. For Colleges in Backward Areas
 - xiv. For Establishment of UGC Network Resource Centers
 - xv. For Equal Opportunity Center in Colleges
 - xvi. For Autonomous Colleges
- 2. UGC Schemes for Colleges Teachers :-**
- i. For Faculty Improvement Programme for completing Ph.D./M.Phil Courses.
 - ii. For Major/Minor Research Projects
 - iii. For Conferences/Workshops/Seminars/Symposium
 - iv. For Travel Grants in India and Aboard
 - v. For Establishment of Day Care Centers in Colleges
- 3. UGC Schemes for Students:**
- i. For Remedial Coaching for SC/ST / OBC (non-creamy layer) & Minorities

- ii. For Coaching for NET for SC/ST / OBC (non-creamy layer) & Minorities
- iii. For Coaching class for entry in services for SC/ST / OBC (non-creamy layer) & Minorities
- iv. For Schemes for Persons with Disabilities
- v. Career and Counseling Cell.

The Coordinator, CDC from the day of its establishment in the University has remained in close contact with the Colleges. He exists them to prepare their proposals and invites their attention about the various schemes of the UGC. The Coordinator, CDC visits the Colleges from time to time for monitoring the proper Utilization of UGC grants and for proper guidance.

The CDC recommends the proposal of the Colleges and Teachers to the UGC as per the guidelines provided on UGC website www.ugc.ac.in.

The CDC plays an important role between UGC and Colleges for improving infrastructure facilities in the Colleges and for the benefit of faculty members and students in multiple ways.

Administrative Service Pre-Entry Training Centre

The Centre was set up by the University in 1978 and it's given the status of an Independent Centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 41 years on, Self Financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10th & 11th Plan for coaching of RAS, CS, RJS, NET/SLET, Bank P.O., Spoken English and other competitive examinations. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

Director

Dr. S.S. Somra

The Centre imparts rigorous training and makes available reading material, handouts, and other literature which helps the candidates for various competitive examinations. The centre has conducted more than 200 programs for various examinations. The past performance in terms of selection of the candidates enrolled in this Centre has been very encouraging, as almost 1/3 of such candidates have been getting selected.

The Centre is known for preparing and grooming the students for competitive examinations through providing subject knowledge as well as developing their personality and communication skills.
